

HUMAN RESOURCE

written by

Max Coyne-Green

story by

Max Coyne-Green & Mia Blake Vallet

INT. OFFICE - NIGHT

RINGING rattles off glass meeting rooms hued in greens and reds. But no Team Members are at their desks.

Not that they're really *theirs*. Hüm Automations features an open-plan office, with a range of flexible spaces for both Work and Life...

RING

...a snack-stocked kitchen, a sage-scented meditation room, and a black marble coffee bar with a barista named Kevin.

RING

But it's too late for Kevin now. And the kitchen's closed too.

Yet BASS THUMPS the floors. Punctured only by--

RINGING

from behind rows of lush bamboo, where sleek white standing desks are empty. Except, of course:

SHAE'S DESK

with its motivational sticky notes and pinned polaroids of Team Members embracing at corporate retreats...

...and the Cisco 7800 shrieking its industry-leading:

RING--

SHAE (29, accessible in a company fleece) snaps it up.

SHAE
HR, this is--

RAM (PHONE)
Shae.

The voice ripples down her spine.

RAM (PHONE) (CONT'D)
I know what you're doing.

She swirls her chair to scan the office...but it's empty.

As she spins back--

Her laptop SNAPS shut.

RAM, the 40ish Chief Operating Officer, looms over her.

RAM
Time to go.

She opens her mouth to protest.

But he just shakes his head and turns away...

...then bends forward. She exhales.

Then hops on his back for a piggyback ride down the hall.

RAM
Relax. You've practiced enough.
You're gonna crush it tomorrow.

BASS becomes MUSIC as Ram opens the door to a:

PARTY

with a bountiful buffet, a bouncing dance floor, and a gaggle of buzzed TEAMMATES. And on stage:

GUS HÜM (Founder & CEO) pacing in plain black.

GUS
--founded this company with one
simple idea: that our tools will
make us *more human* - not less.

At the buffet, THE PARTNER (60s, cargo shorts) gnashes buffalo wings. Teeth ripping sticky red flesh from the bone.

GUS (CONT'D)
That software can handle the noise,
so people can do the work.
(catching Partner's eye)
And that's only possible with the
continued support of Olympus
Capital. So, thank you.

The Partner returns a saucy smile, hands a clean bone to his hulking CONSULTANT beside him. Licks his fingers.

GUS (CONT'D)
And thank you to everyone here.
Because the real value of this
place isn't products. It's *people*.

The Partner stops licking.

Down the buffet, Shae discreetly wraps shrimp in a napkin.

SHAE'S DESK - MINUTES LATER

Shae pops open her laptop, revealing a PowerPoint deck (ShaeValue.ppt). Slides detailing 8 years of contributions and a convincing case for promotion to Vice President.

She digs into the shrimp. And clicks through the slides.

Each CLICK advancing a slide.

Each slide a moment of her evening in an **OPENING SEQUENCE**:

- CLICK. Shae reviews her bio page.
- CLICK. Shae prints 12 copies.
- CLICK. A wheel rotates slowly.
- CLICK. Exercise bike. Going nowhere. Deck propped on bar.
- CLICK. Shae washes her face.
- CLICK. Shae drops her head on a pillow.
- CLICK. Shae turns off the lights.

SEQUENCE ENDS as she straps on her sleep-mask.

Shae turns over. Sinks into the pillow. Drifting off, until--
DING!

Shae sits up, confused. Peels off the sleep-mask.

Carefully tiptoes to door...

...cracks it, and peeks out to the:

MAIN FLOOR

of the OFFICE just as--

Gus jumps off the elevator.

He zips by a door marked MEDITATION ROOM but doesn't see:

Shae peering through the crack, from inside.

MEDITATION ROOM - SAME

Once he's out of sight, Shae exhales.

Through the door, a sliver of light shines on the front page of her deck, just the middle chunk of her title (Head of Human Resources), illuminating:

HUMAN RESOURCE

Shae closes the door. Room goes dark, leaving the words unreadable. She goes back to sleep.

GUS'S OFFICE - SAME

Gus hurries into his office and finds:

THE PARTNER (O.S.)
Party's over, Gus.

The Partner at his desk, licking an ice cream cone.

THE PARTNER (CONT'D)
Cute speech. But you know the new product is the only reason Olympus invested in this company.

The hulking CONSULTANT rises from the sofa. Gus trembles.

THE PARTNER (CONT'D)
Everything else is replaceable.
(lick)
Especially you.

GUS
There is no product without me.

THE PARTNER
Not yet.

The Consultant LOCKS the door behind Gus.

BLOOD DRIPS

as rare steak is sliced the next morning.

INT. OFFICE - KITCHEN - DAY

REVEAL steak being sliced in the breakfast taco buffet.

Shae joins two female JAMIES in line.

JAMIE 1
Morning Shae Shae!

JAMIE 2
Morning Shae Shae!

SHAE
Morning, Jamies.

JAMIE 1
Today the day?

Shae shrugs, coy, as they walk the taco line.

JAMIE 2
You hear about Laura?

SHAE
Laura O?

JAMIE 2
No, Laura with the--

Jamie gestures to her face area. *Ohh.*

JAMIE 2 (CONT'D)
Yeah. BetaWave just made her VP.

SHAE
Good for her. Like, *really* good.
(slabbing on steak)
*Especiall*y for her. You know, I
basically taught her everything.
And honestly--
(overstuffing tortilla)
--she wasn't even that good.

JAMIE 2
Good enough to be a Vice President.

SHAE
Yeah. Pulling 80 hours a week.

JAMIE 1
Looks like she's at the beach.

Jamie 1 checks Instagram. Shae peers over her shoulder.

SHAE
Wish I could just go to *Italy*. But
people need me.

Jamies' eyes roll as--

DARA (O.S.)
Shae? I need you.

See? Shae takes a big satisfied bite.

SHAE'S DESK - MINUTES LATER

Shae focuses on her PowerPoint. Meanwhile, baby associate DARA (23, sleeves over wrists) stands at her shoulder.

Behind them, the WHITE BOARD reads:

Q1: LEAN IN

DARA

--and he was weird about it. Like *I* was being weird. So should I talk to him again? Or is *that* weird?

SHAE

It's only weird if you're weird. And you're not weird, Dara. You're a badass *adult* woman who knows what she's doing.

DARA

Right. And what am I doing?

Dara lifts a thumbnail to her teeth - but Shae pulls it away without even looking.

DARA (CONT'D)

Please just tell me what to do. I don't wanna get yelled at again.

SHAE

(halting, not turning)

Wait. He *yelled* at you?

DARA

I just said that.

SHAE

No. You said he was weird about it.

(typing again with force)

That he made you feel like *you* were being weird. But you never said that he *yelled* at you...Dara...

Shae stabs Ctrl+S and swings to Dara. Gently:

SHAE (CONT'D)

...did he yell at you?

ZEKI (PRE-LAP)

I asked her to do her job.

ZEKI'S DESK - LATER

Shae patiently sits with the impatiently coding ZEKI (30s).

SHAE

Right. But the thing is, that's not *your* job. If you have concerns with an HR associate, you come to me.

ZEKI

I'm not concerned about your mini-me, Shae. I'm concerned about...*me*.

SHAE

Why? Ram said you're irreplaceable.

ZEKI

Everyone is replaceable. You know what we build here.

(beat, turning)

And I can't lose this job.

Shae follows his nervous eyes to a framed photo of his family in Turkey. She overdoes a sympathetic sigh.

SHAE

Listen, I get it--

ZEKI

No. You don't. You work here because you *can*. I work here because I'm *temporarily permitted*. If I don't get another H1-B...

SHAE

Zeki. If the company promised you a Green Card, they'll handle it.

ZEKI

But you basically *are* this company, Shae. Why can't you handle it?

SHAE

Because that's above my head.

She smirks. *For now*. Then struts off. Leaving Zeki confused.

COFFEE BAR - MINUTES LATER

Hunky barista KEVIN preps an iced latte for an incoming Shae.

SHAE

My angel. Can you actually make it hot for me?

KEVIN

But you're already on fire.

She blushes. He proceeds to foam her milk.

SHAE

I didn't see you at the party.

KEVIN
Oh I thought that was for like,
actual employees.

SHAE
Kevin. You're part of the family.

On her phone, Shae checks messages with NINA. Scrolls to a photo: a DAD with a teen girl.

KEVIN
Is that your sister?

SHAE
Half. The new and improved model.

KEVIN
There's taro buns in the kitchen.
(sliding her a latte)
If you haven't had your yogurt yet.

SHAE
What would I do without you?

KEVIN
Spend less time in the office?

She SNORTS foam. *Funny*. Then she marches off with a smile...
...leaving Kevin rolling his eyes. He wasn't joking.

SHAE (PRE-LAP)
The true value of a company is its
people. And that's my job--

CONFERENCE ROOM - LATER

Shae recites her spiel as she places printed POWERPOINT DECKS
around a table. Muffins too.

SHAE (CONT'D)
--building a home for human capital
to flourish. And as Vice President--

DOOR OPENS for--

SHAE
Ram?

Ram collapses onto the sofa. Phone falls to the floor.

SHAE (CONT'D)
Are you seriously hungover?

RAM
Shae. It's a bloodbath.

SHAE
Well then stop doing coke with
Grady! Just take some advil or
something before Gus gets here.

RAM
Gus is *persona non grata*.

SHAE
Is that in Italy? Is everyone at
the beach?

Shae grabs a muffin for a nervous bite--

RAM
No, Shae. Gus is dead--

--SPRAYS MUFFIN before Ram can finish--

RAM (CONT'D)
--to us. Olympus Capital *terminated*
him last night.

SHAE
What. They can't do that.

RAM
They own 100% of our equity now.
They can do whatever they want.

Finally, Shae picks up Ram's phone. NEWS ARTICLE on screen:

BLOODBATH! TECH MARKET MELTS DOWN, FIRMS SCRAMBLE TO SURVIVE

RAM (CONT'D)
And as of this morning, the firm's
controlling shares have been
transferred to some special purpose
LLC to oversee restructuring.

DING!

SHAE
What. Who's Elsie?

COLD AIR WHOOSHES inside as Ram cracks the door to see:

ELLSIE

gliding off the elevator with icy efficiency.

Ageless in a tailored suit, she assesses her new domain. Then enters Gus's office like a parasite infecting its host.

Ram scurries over to meet his new boss...

leaving Shae alone with her "Shae Value" deck. Fuck.

MEDITATION ROOM

Shae rushes in. Stashes her personal items (clothes, sheets, toiletries) in the closet. Then finds her Shae Value deck. She RIPS it in half. Then again. Again. Again.

INT. OFFICE - SHAE'S DESK - LATER

Shae pretends to work. But watches Ellsie - in her new office - issue Ram instructions while purging Gus's personal items.

DARA (O.S.)

Grady says we're getting gutted.

Dara rolls her chair up. Eyes wide with panic.

SHAE

Dara, please. Grady's a clinical moron. We only hired him because of his dad's hedge fund.

Fleece-vested sales guy GRADY leans over.

GRADY

Who do you think told me Shae?
(reading texts)
He said we're "fat on the belly and the butcher's on the way".

Shae gives him a sympathetic look: *he texted you that?*

But when Dara's eyes well up, Shae turns back and wraps her up like a camp counsellor.

SHAE

Relax. Ram can handle this.

Ram emerges onto the floor. Followed by his handler, Ellsie.

RAM

Morning everyone. Um. I know things have been...*frantic* recently but--

ELLSIE

The company is insolvent.

The floor goes silent. What.

ELLSIE (CONT'D)
I will be salvaging any valuable
assets prior to liquidation. Carry
on your assigned tasks as normal.

Everyone looks at Shae. Dara pulls at her sweater like a kid
in the supermarket: *say something!*

SHAE
But I thought we were doing well.

ELLSIE
At what?

Shae flinches. What.

ELLSIE
What do you do?

SHAE
Oh. We're a global provider of--

ELLSIE
No. What does this company do?

Shae stammers. Ellsie scans the crowd for another answer...

ZEKI
We build and sell automated B2C
engagement software. Like chatbots.
Customer service phone trees.

Ellsie assesses him. Then points to Gus's old office. Zeki
quickly complies. Before Ellsie turns to follow--

SHAE
What about our culture?

ELLSIE
Your culture is a luxury. And a
relic of low interest rates.

SHAE
Well I'm sorry but--

ELLSIE
Why? Did you do something wrong?

SHAE
No, it's just - if you destroy the
culture, all the best people will
leave. It'll be a bloodbath.

ELLSIE
 (processing, then)
 Okay. I appreciate the insight.

Ellsie proceeds to her new office to meet Zeki.

Shae circles around to see: everyone exhale.

A WEEK LATER

Shae circles around to see: an emptying office. It's--

RAM (O.S.)
 --a bloodbath.

Ram slumps in a chair. Grady and the Jamies at nearby desks.

SHAE
 Relax. She hasn't fired anyone yet.

JAMIE 1
 She's smoking us out. Everyone who
 can get another job is leaving.

Shae spots Dara eavesdropping down the row. Plays brave.

SHAE
 Great. So she needs us.

JAMIE 2
 She's here to gut us. *We need her.*

GRADY
 I don't need her.

SHAE
 Grady. You have a DUI.

GRADY
CUI. And Jamie's thing is worse!

JAMIE 1
 You told him?

JAMIE 2
 You told him?

SHAE
 Jamies, please! What can we do?

JAMIE 1
 Quit before it's too late?

JAMIE 2
 No. If we get fired, we can get
 severance *and* unemployment.

Dara chomps her nail and runs off. Shae chases after.

EXT. OFFICE - OUTDOOR DECK - CONTINUOUS

Shae finds Dara stepping up on a MAINTENANCE LADDER.

SHAE

Where do you think you're going?

Dara looks up - the ladder goes up forever...but not down to ground level. She exhales and sinks down, against the ladder.

DARA

What am I gonna tell my family?

Shae wraps her shivering body in a cardigan. Sits.

SHAE

They'll understand. It's not like they replaced you with another daughter or anything.

DARA

Shae. This isn't about you.

SHAE

Sorry, I mean: you have value. And she's gonna see that.

DARA

That's easy for you to say. You're already...*there*. And I'm what? Going back to Michigan to be another New York burnout?

Dara tries to bite a pinky - but Shae gently takes her hand.

SHAE

Dara. I will die before I let you go back to Michigan.

DARA

Shae. *This isn't about you.*

INT. OFFICE - LATER

Shae marches to Gus's old office. Ram scrambling behind her.

RAM

--please don't. She's only keeping me to keep things calm. And I can't get fired. I have nowhere to go!

SHAE
I'm not scared of her.

RAM
Well maybe you should be.

Ram jumps in front of the door. She blows by him.

~~GUS'S OFFICE~~ ELLSIE'S OFFICE

Shae surprises Ellsie at her desk. Ram at Shae's heels.

RAM
I told her not to--

ELLSIE
Leave.

Shae gulps and follows Ram out--

ELLSIE
Not you.

Both turn back. Ellsie nods to Ram, who gets it. Leaves.

SHAE
It's Elsie, right?

ELLSIE
There are two L's.

Ellsie sits at her computer. Shae notices a trashbag with Gus's stuff. And a POTTED PLANT with brown, crispy leaves.

SHAE
Sure. Anyway. I uh, wanted to see
if you wanted to get some coffee?
Kevin is...*amazing*.

ELLSIE
A Keurig can do his job.

SHAE
Right. Okay. Well, this is actually
what I wanted to talk about. You
have such a clear communication--

ELLSIE
This a problem?

SHAE
No, no. That's actually the good
part. And not really the point--

ELLSIE
Then why did you say it?

SHAE
To cushion the critical feedback.
(miming a sandwich)
It's uh, it's a compliment sandwich.

ELLSIE
It's a condescending waste of time.

SHAE
It's our culture. And I told you if
you destroy it, people will leave.

ELLSIE
And I told you I appreciated the
insight. Those voluntary departures
lowered our severance liabilities.

GASP. She is here to gut them. But it gets worse.

ELLSIE (CONT'D)
Yet liabilities remain.

Ellsie finally turns her full attention to Shae. Uh oh.

ELLSIE (CONT'D)
Shae. What do you do?
(anticipating)
Not your title. When you are at
your desk, what do you actually do?

SHAE
Sorry, I--

ELLSIE
Stop apologizing and answer me.

SHAE
I do people stuff! Okay? I get them
to show up. I get them to *care*. And
that's irreplaceable. And it's why,
before you got here, they were gonna
promote me to Vice President!

Ellsie looks her up and down with utter pity.

ELLSIE
Shae. They were never going to make
you a Vice President.

SHAE
What. I've given my life--

ELLSIE
Exactly. Why would they pay extra?

SHAE
You don't understand. I basically,
like, *am* this company.

ELLSIE
No. You don't understand.

Ellsie backs the terrified Shae to the door...

ELLSIE (CONT'D)
You are rented labor trained to
accept validation, frivolity, and a
false sense of security in lieu of
material compensation.

...until Shae is in the hall.

ELLSIE
I am the company now.

Ellsie SLAMS the door on her face. Then hears a SQUEAK.

INT. OFFICE - SHAE'S DESK - NIGHT

SQUEAKING of Shae's mouse as she furiously pages through
apartment listings. She changes the price filter. NO RESULTS.

She reaches for her pinned polaroids. Her work family. Behind
a photo of her with the Jamies, she finds one with her DAD at
the beach. Same beach he was at with Nina.

The floor is silent. It's late.

But Ellsie's still in her office, so Shae can't "go home".

THUMP. Shae hears the sound coming from Ellsie's office.

THUMP. Shae approaches carefully. The blinds are drawn, but
light bleeds through a crack. And now she hears:

THUMP. HISS. THUMP. HISS. THUMP. HISS.

Shae leans in. Through the gap:

A SHADOW moving in rhythm. A BARE FOOT stomping on the ground
repeatedly. It's creepy. THUMP. HISS. THUMP. HISS.

As Shae leans closer, the sounds halt and--

ELLSIE'S EYE fills the crack.

Shae JOLTS back. Spins around and races toward:

RAM'S OFFICE

and bolts inside. Closes the door. Catches her breath.

RAM (O.S.)
Are you okay?

Shae JUMPS. She didn't realize Ram was there.

SHAE
Yeah. She's just...doing something
in there.

She turns and sees Ram lying on the sofa. Looking pathetic.

SHAE
Are you okay?

RAM
Gus won't return my calls. Do you
think he hates me for staying?

SHAE
*Hate you? He's just in Bali or
whatever. But you know he loves
you. I mean, Ram, he made you COO.*

RAM
Please. You know I only got the job
because Doug got caught on that
website, and I...I had just *been*
here forever. I never knew what I
was doing. I'm an imposter.
(jumping her protest)
It's okay. That's my thing. I'm
good at being seen as good. But
that only works in a bull market.
And now, well...the bear is here.

SHAE
Don't call her that. That's sexist.

RAM
The bear market, Shae. No one's
buying my act in a downturn. But
you, you can still get out of here.

Shae shakes her head, on the verge of tears.

RAM
You have to. At least interview--

SHAE

I did! I applied to 17 companies. I emailed every HR person I know. 4 ignored me. 13 bounced back.

RAM

Because you had the wrong emails?

SHAE

Because they got fired, Ram! No one wants them. No one wants *me*. I thought this was all I knew how to do. But apparently I'm not even good at it. Just good at *seeming good*--
(hearing it now)
Oh my god. Ram. I'm the imposter.

Ram waves his hands: no!

SHAE

Seriously think about it. We played one drunk game of laser tag like six years ago. Then things went well and you gave me all this credit because you *liked* me. Then once you became my mentor or whatever, you *had* to pretend I was good. Because if I wasn't, what would it say about you?

RAM

Jesus, Shae. That's sick.

SHAE

Well it's true. And now I'm locked in. I gave my whole life to advance here. And all of a sudden, here is over and I can never get *there*?

Ram looks around. Where?

MEDITATION ROOM - MINUTES LATER

Shae dribbles in. Head down like charlie brown.

Kills the lights. Flops onto the made-up sofa.

In the darkness, she whimpers into the pillow.

ELLSIE (O.S.)

So. This really is your home.

LIGHTS ON. Ellsie sits calmly in the corner.

ELLSIE (CONT'D)

I've never seen someone actually bring their *whole self* to work.

SHAE

It's temporary. The market is just crazy. And my roommate moved out--
(off Ellsie's blank stare)
And technically there's no rule against it. And I like it here. I have everything I need. For free.

ELLSIE

Nothing is free.

SHAE

Sure. I guess like, *metaphorically*.

ELLSIE

I don't use metaphors on company time. Food, facilities, freezing your eggs. The perks are here to keep you here. And here you are.

SHAE

And? Why are you here?

ELLSIE

My job is to invest in distressed assets, strip their liabilities, and maximize their value.

Shae deflates onto a yoga ball, which deflates.

SHAE

I get it. I'm the liability.

ELLSIE

No, Shae. You're just distressed.

Ellsie holds out her hand.

ELLSIE'S OFFICE - MINUTES LATER

In pajamas, Shae watches Ellsie use gardening scissors to SNIP dead leaves off the plant. She kept it. Nice.

ELLSIE

Gus was a fine engineer, but a weak operator. He failed to deliver the product he promised Olympus. Instead wasting resources on diversions, like email chains.

ELLSIE (CONT'D)

(snip)

Birthday cake. Meetings.

SHAE

We're having brainstorming sessions
on how to trim back on those.

ELLSIE

We have to trim *everything* if this
firm is going to survive, Shae.

SNIP. Ellsie looks up at an ORG CHART on the wall. A massive
web of faces, names, and titles. SNIP.

ELLSIE

It will be a difficult transition.
That's why I'm retaining Ram as
Interim CEO. But I still need an
additional resource to help
acclimate the headcount to our new
economic reality. Someone with a
bit of...*human touch*.

Shae quietly GASPS. But doesn't respond. Ellsie sits.

ELLSIE (CONT'D)

Shae. I'm expressing a need for
your services. This is the part
when you tell me what you want.

SHAE

Well maybe I can review the details
first and then we can circle back?

ELLSIE

There is no circle. Just a line
from your supply to my demand.
So, show me the line.

SHAE

Vice President.

Ellsie's surprised at the quick response. But squints. *Why?*

SHAE

Because that's how I get there.

Ellsie looks around. *Where?*

SHAE

There. Where I've made it. Where I
have security. Where I can just...*go*
to the beach without worrying about
falling behind, or being replaced.

ELLSIE
Employees can always be replaced.

SHAE
Aren't you an Olympus employee?

ELLSIE
The Partners at Olympus are both my shareholders and clients. But I remain an independent entity. As I told you before: I am the company.

Oh. Shae thought that was a metaphor.

ELLSIE (CONT'D)
I know it pains everyone to admit, but Mitt Romney was right.

This doesn't compute. But Ellsie seems to savor the concept.

ELLSIE (CONT'D)
About corporations being people.
We're all just *independent agents* transacting value.
(leaning in)
And Shae, I see your value.

GASP. It's everything Shae's ever wanted to hear.

ELLSIE (CONT'D)
In fact, I'd like to discuss an investment opportunity.

SHAE
An investment in what?

ELLSIE
You.

Ellsie slides over an EQUITY AGREEMENT. Shae blinks.

ELLSIE
My Analyst can help with the details.

Ellsie rises and opens a closet door.

CLOSET - MOMENTS LATER

Shae sits with a red-eyed, neck-tatted ANALYST (late 20s), churning out spreadsheets. Monitors flashing manically.

SHAE
Is this a bad time?

ANALYST

Market's in a death spiral. Firms
are being stripped for parts.

(smile)

No better time for private equity.

He shakes a container with a MOUSE DOCTOR logo.

ANALYST

Meal replacement? Their Russian
portfolio company makes it.

SHAE

I'm okay. Is that like Soy lent?

ANALYST

Not according to the FDA.

He scoops GREEN POWDER into water. Stirs. Sips.

ANALYST

So. She's gonna invest in you.

SHAE

Maybe. Unless it's a bad idea?

ANALYST

It's a great idea. As long as you
know what you're doing.

SHAE

Totally. And what am I doing?

ANALYST

Selling shares in yourself. So you
get cash now. And she gets a stake
in your future value. You
understand how equity works?

SHAE

That's like stock, right?

He nods.

SHAE (CONT'D)

Then no.

ANALYST

Okay. Let's start with the basics.

He jumps to his feet.

ANALYST (CONT'D)

Finance...is like time travel.

He waits for this to land. It doesn't.

ANALYST (CONT'D)

Think about your student loans. You borrow money from the future to pay for school in the present. But you have to pay it back no matter what. So the lender doesn't care about you beyond your ability to pay.

SHAE

They're not *invested* in me.

ANALYST

Bingo. But with equity, you don't pay anything back. Your shares rise in value as you rise in value. So development and growth are in your investor's best interest. Got it?

SHAE

For sure. 100%. It's just that, it doesn't really make any sense.

ANALYST

That's the beauty of finance, Shae. It doesn't need to make *sense*.
(eyes twinkling)
It just needs to make *money*. And you just need to create value.

SHAE

Don't I have value...*inside me*?

ANALYST

I guess. But she doesn't care what you are. What matters is what you do. It's a simple formula.

He scribbles on a pad: EQUITY = ASSETS - LIABILITIES.

ANALYST (CONT'D)

That's your valuation. Benchmarked against expectation of course.

SHAE

But how does she set expectations? We can't see the future.

ANALYST

But we *can* simulate it in a model.

SHAE

In our minds?

ANALYST

In Excel.

He pops open some spreadsheets. She's overwhelmed.

He shakes the container of GREEN POWDER. It helps!

CUT TO:

30-50 MINUTES LATER

Shae's bopping around on her toes. Really getting it now.

SHAE

Finance is like time travel!

Analyst pumps his fist. Yeah!

SHAE

It doesn't need to make sense.

Analyst gives PRAYER HANDS and BOWS – preach!

SHAE (CONT'D)

I can calculate my present value by
estimating my assets, liabilities,
and future growth expectations!

Shae takes a big gulp of green drink.

ANALYST

So. Shae. How much are you worth?

He pulls up a spreadsheet: SHAE-VALUE.xlsx.

MATCH CUT TO:

INT. OFFICE - SHAE'S DESK - NEXT MORNING

The SHAE-VALUE excel sheet on her monitor.

Shae's alone. Clearly up all night.

Green still on her lips.

She peeks at an old copy of her printed SHAE-VALUE deck.
Compared to the new excel sheet, it looks so quaint. She
tosses it in the trash.

Rises to her WHITE BOARD.

Her marker SQUEAKS as she replaces Q1: LEAN IN with-

Q2: LEAN OPERATIONS**INT. OFFICE - BIKE ROOM - MORNING**

SQUEAKING on the SPINNING WHEEL of the EXERCISE BIKE.

Shae's pumping away in a room full of bikes. But she's alone, sipping green drink. Spinning the wheel faster with a HISS--

PRE-LAP: HISS. THUMP. HISS. THUMP--

ELLSIE'S OFFICE

THUMP as Ellsie pivots, planting her bare foot.

HISS as she exhales and STRIKES with her opposite fist. She's doing some kickboxing-style routine. It's rhythmic. And disciplined. And weird.

She stops to sip green juice out of a SHAKER BOTTLE. Then continues. THUMP. HISS. THUMP. HISS--

SERVER ROOM

HISS of servers in long rows...

...leading to a desk in front of a WALL OF MONITORS...

...where Zeki codes. Locked in. Beside him, a container of green powder with the MOUSE DOCTOR logo. Fingers TAP faster.

COFFEE BAR - LATER THAT MORNING

Kevin TAPS an espresso handle, knocking out old grounds.

Shae waits on her phone. LinkedIn. Checking new title: VP of People Ops. Clicks SHARE, but with who? Opens messages with DAD. But it's just pics of fucking Nina at the beach.

Kevin slides a latte under her eyeline. In foam: an S. She blushes. Turns to Ellsie's office. Light's on. Hm.

ELLSIE'S OFFICE - MOMENTS LATER

Shae finds Ellsie SNIPPING dead leaves from Gus's plant. It's still brown, but coming back to life. Nice!

SHAE

I didn't realize you were here.

ELLSIE
I was just checking on Francis.

SHAE
Francis, nice. So is he like your--

ELLSIE
I need cuts to recurring expenses.

SHAE
Expenses. Sure. For example...

ELLSIE
For example: *lunch*.

SHAE
That...might be tricky for morale.

Ellsie glares at her. *Morale is not her concern.*

SHAE
...and data show clear correlation
between morale and performance.
Plus, it costs us nothing to be
attentive to the emotional context.

Ellsie's glare softens. She's finally speaking her language.

ELLSIE
Fine. Attend to it.
(as Shae takes the win)
But there will be no lunch.

GRADY (PRE-LAP)
So we just *pay* for it ourselves?

KITCHEN - LUNCHTIME

Dara, Grady, and the Jamies unpack salads. Shae scoops green powder into her Nalgene.

SHAE
We were always paying, Grady. The
lunch money came out of the
employee discretionary budget.
Money that *could've* gone to you.

JAMIE 1
Where's it going now?

SHAE
(big green sip)
The balance sheet. To pay for us.

DARA
That doesn't make any sense.

SHA-E

If it's saving our jobs, does it really need to make sense?

Yes. JAMIE 1 Yes. JAMIE 2

Dara's still worried.

SHA3

What are you worried about?

Dara shrugs. Lifts a fingernail to her teeth--
But Shae gently pulls her hand away.

SHA3

Then stop worrying. I can protect us. Everything's going to be fine.

SCREAMING from the hallway.

HALLWAY - CONTINUOUS

Shae finds Ram running after something, pointing. WTF RAM?

RAM
A mouse ran over my foot! There!

They see the MOUSE scurry through a vent into the:

SERVER ROOM

where Shae and Ram chase inside. Look around for the mouse.

BUZZ! It's on the floor. Electrocuted by some homemade techno mouse trap. It's horrifying.

ZEKI (O.S.)
They love the heat in here.

Zeki looks over from his desk. A little.

ZEKI (CONT'D)

And the old traps suck. I made these from laptop batteries.

(turning back)

But why am I explaining myself? I don't answer to either of you.

RAM
You don't?

SHAE
Listen, I know you're still upset
about the Green Card thing--

RAM
You promised him a Green Card?

ZEKI
This isn't about you, Shae. You
just *really* can't be here. Really.

Why? Then Shae notices: Ram staring at a monitor. It's...

Gus. He's been on video conference this whole time.

RAM (CONT'D)
Gus? What the hell are you doing
here? I thought you were in Bali.

ZEKI
He *is* in Bali. And the audio isn't
working right now. I'm just pulling
some of his old code.

SHAE
So he's what, working remotely?

ZEKI
It's just for the new product.

RAM
What new product?

SHAE
What new product?

ELLSIE (O.S.)
The product is in stealth mode.

Ellsie appears behind them. AH!

ELLSIE (CONT'D)
Intellectual property is at high
risk with such a...fluid personnel
situation in the office.

RAM
But I'm supposed to be the CEO.

ELLSIE
Interim CEO. Do you know what
interim means, Ramesh? It means:
for now. And for now, you have one
function: *simulating continuity*.

ELLSIE (CONT'D)

Shae will ensure you do this and nothing else.

RAM

So she's, what, my boss?

SHAE

Of course not.

ELLSIE

Yes.

Shae slowly turns to a stunned Ram with a grin.

ELLSIE (O.S.)

Shae. With me.

HALLWAY - MOMENTS LATER

Shae wheezes as she catches up to Ellsie.

ELLSIE (CONT'D)

Leave Zeki alone. And keep everyone out of that server room. What is the status of recurring expenses?

SHAE

Um, lunch is done. And I canceled the cleaning contracts.

Ellsie stops at a bathroom. Turns. Stares. It's weird.

SHAE

What's...happening right now?

ELLSIE

I'm pleased. And acknowledging you, as I've seen you do with others.

SHAE

But you're not smiling.

Ellsie nods. Shae notices a workout bag in Ellsie's hands.

SHAE

Oh do you work out in here?

ELLSIE

Focus on your circle of competency.

SHAE

...managing resources for humans?

ELLSIE

The humans are the resources. And there are too many.

ELLSIE (CONT'D)
(opening bathroom door)
Go deal with them.

Shae exhales. *I guess this is the job.* Walks off.

ELLSIE (CONT'D)
Starting with Dara.

Shae halts.

PRE-LAP: CRYING

INT. OFFICE - MAIN FLOOR - LATER

Dara's CRYING echoes across the main floor.

Grady exchanges a look with the Jamies. *What's going on?*

MEETING ROOM - MINUTES AFTER THAT

Dara sniffles. Shae's lap is covered in tissues.

DARA
But you said everything is fine.
You said she'd see my value.

Shae looks into Dara's distressed eyes. Gulps.

Then squints. Processing.

She notices Team Members watching through the window.

Their distressed faces.

MATCH CUT TO:

INT. OFFICE - CONFERENCE ROOM - NEXT DAY

Those same distressed faces. On a printed slide deck. Titled:

HUMAN CAPITAL: INVESTING IN PEOPLE

ELLSIE (O.S.)
But I don't want them.

Ellsie looks across at Shae and the Analyst. They've been up all night. Red eyes. Green lips.

SHAE
No one does. That's the point.
They're distressed assets. And you--

ELLSIE
I know what I do, Shae.

SHAE
Then it would be irresponsible not
to at least review the opportunity.

Shae pushes the deck forward. Ellsie peeks at the Analyst.

ANALYST
Market's bottoming out. And you'd
be buying at the bottom. They're a
great deal at these prices.

SHAE
Check the ROI projections on 4.

Ellsie flips the deck. Data. Hm. She peeks at the Analyst.

ELLSIE
You taught her to do this?

SHAE
You did. I listen to everything you
say. And it leads to them. We can
get more out of them than anyone
else. Because we know their value.
We know the value *inside them*.

Ellsie's eyes flicker. Shae betrays a tiny smirk.

But Ellsie closes the deck.

ELLSIE
We can't stay here.

Shae opens to protest but--

ELLSIE (CONT'D)
I have shareholders too. And they
need this office vacated by Q4.

SHAE
Then we'll get a new office.

Ellsie collects the deck and rises.

ELLSIE
We don't need one.

Ellsie picks up the phone.

RAM (PRE-LAP)
Remote Only?

RAM'S OFFICE - LATER

Shae stands as she briefs Ram on the sofa.

SHAE
This is how we can all stay.

RAM
But we're *not* staying.
(simmering)
Was this Gus's idea?

SHAE
No...but he was a factor--
(off his scoff)
I mean he's already proven a remote model can work. Now Zeki can scale that across the rest of the team.

RAM
Olympus will never approve this.

CLACK. In the window: the Partner emerges from Ellsie's office. Followed by his hulking Consultant.

ELLSIE (PRE-LAP)
Olympus is enthused.

ELLSIE'S OFFICE - MINUTES LATER

Shae joins Ellsie in her office.

ELLSIE (CONT'D)
Their Consultant will be on hand to assist with transitions. But the burden will fall primarily to you. And I'm concerned about your mental and physical stamina. Do you have a proper training regimen?

Shae blinks. Then notices Ellsie's workout bag. OMG--

CUT TO:

YOGA ROOM - THAT NIGHT

Ellsie reviews Shae's gym shorts and company T-shirt.

ELLSIE
This is too flabby.

Shae looks down at herself, offended.

ELLSIE
I mean the excess material leaves
you exposed. Try to strike me.

Ellsie waves her on.

Shae winds up and PUNCHES--

Ellsie DUCKS left, THUMPS her foot behind Shae, yanks her shirt, and throws her to the floor.

Shae SMACKS her elbow on the way down. Eyes fill with tears.

ELLSIE
Stop crying.

SHAE
But it hurts.

ELLSIE
Feeling is a message, Shae. You can
ignore it. Like email.

Shae stumbles to her feet.

ELLSIE
Now, focus on your timing.

Ellsie waves her to attack.

Shae charges at Ellsie--

ELLSIE (CONT'D)
Capture momentum.

Ellsie sidesteps with a THUMP.

ELLSIE (CONT'D)
And impact with leverage.

Ellsie exhales HISS as she POPS Shae behind the knee, who buckles to the ground.

Shae sucks down the tears, and rises off the floor.

TRAINING MONTAGE - NEXT FEW WEEKS

Ellsie trains Shae in the yoga room, the Analyst trains her in his closet, and Shae signs up assets to the portfolio.

THUMP/HISS keeps rhythm as we cycle around the office:

- SHAE uncaps a green marker. Reviews faces on the ORG CHART.

- ZEKI sips green drink, codes with Gus (on his monitor).
- SHAE pitches the team, deck in hand: INVESTING IN YOU.
- THE JAMIES, GRADY, and others sign their contracts.
- WEBCAM LIGHTS are GREEN on laptops around the office.
- FACES APPEAR from those webcams on Zeki's WALL OF MONITORS. Recording. Processing.
- RAM checks his messages to GUS - all green, undelivered. His contract on his desk, still unsigned.
- ORG CHART has faces circled in green. Except Ram. And Dara.

MATCH CUT TO:

DARA'S DESK (WEEKS LATER)

The contract on her desk. Unsigned. Dara looks up at Shae, uncertain. Lifts her finger to her lips--

Shae gently takes her hand. When she releases, there's a pen in Dara's hand. She breathes and signs the contract.

DARA
Is that everyone?

RAM'S OFFICE - A LITTLE LATER

Ram watches skeptically as Shae heads to the coffee bar.

COFFEE BAR - MOMENTS LATER

Kevin hands Shae a mug of boiling tea.

KEVIN
Just be careful, that's--

Absentminded, she takes a HUGE GULP of the boiling tea.

KEVIN (CONT'D)
--scalding hot. Are you okay?

Shae's staring at Ram's office, where he's hiding inside.

SHAE
Me? I'm not the one being a baby.

Her cheeks are flat. Eyes bright, greenish.

KEVIN

He's just scared. Going remote is kind of a big deal for some people.

Shae turns back. Realizes how inattentive she's been to the emotional context. She reverts back to her old warmth.

SHAE

You have nothing to worry about.
She promised to keep you until Q4.

KEVIN

It's fine, Shae. It's just a job.

SHAE

But what will I do without you?

KEVIN

Spend less time in the office.

She giggles. Leans forward a bit...

SHAE

Maybe we could do that together?

...but he's dead serious. She's humiliated.

KEVIN

I'm sorry--

SHAE

Don't. You didn't do anything wrong. I just...I don't know, you're always so warm. I mean, you know what time I eat my yogurt.

KEVIN

Shae. That's the job.

ELLSIE'S OFFICE - A LITTLE LATER

Shae surprises Ellsie at the door.

SHAE

We can get a Keurig.

Before Ellsie can respond, Shae is gone. Ellsie turns her gaze through the window. At the coffee bar.

COFFEE BAR - THAT NIGHT

Kevin's cleaning up when Ellsie approaches.

KEVIN
Shae already fired me.

ELLSIE
That is good to hear. But you are
still contracted for another hour.

KEVIN
What do you want?

ELLSIE
You observe behavior, when you
service the salaried staff. I want
your honest assessment of Shae.

KEVIN
Honestly?

SHAE

listens from around the corner, leaks out a little smile...

KEVIN (O.S.)(CONT'D)
She's unlike anyone I've ever met.
Just completely...delusional.

...which falls right to the floor.

COFFEE BAR

Ellsie notices Shae spying. But Shae vanishes.

KEVIN (CONT'D)
I mean, she basically lives here.
And I think she thinks that's a
good thing? It's kind of pathetic.
(off her blank stare)
But I guess she's good with people.
And she'll do anything for
validation. If that's helpful.

Ellsie nods: *it is*. Kevin's not sure if this is over. After a
bit, he points to the espresso machine.

KEVIN
If you're selling this, can I have
the backup espresso beans in the
freezer? They don't work for drip.

Ellsie processes.

PRE-LAP: DING!

BASEMENT - AN HOUR LATER

Kevin steps off the elevator.

On his way to the back exit, he stops at the:

FREEZER

COLD HITS.

A SLIVER OF LIGHT illuminates some shelves.

But not enough. Kevin can't find the light switch.

PHONE FLASHLIGHT ON.

LIGHT SWEEPS shelves until he finds--

ESPRESSO BEANS in a gallon-sized tin. Bingo. He pulls it off the shelf but it slips from his hands onto the floor.

BEANS SPRAY everywhere.

When he bends down, the phone drops. The flash illuminates a bottom shelf. A big rectangle. Wrapped in plastic.

Kevin pulls back a fold, revealing badge of:

GUS HÜM, FOUNDER & CEO

HANGING ON THE NECK OF A FROZEN FUCKING BODY!

Kevin JOLTS BACK--

The phone FLIES from his hand--

--skitters across the floor to the open door.

BASEMENT HALLWAY

Ellsie picks up the phone.

SLAMS THE DOOR CLOSED. LATCHES IT.

BANG.

BANG BANG BANG as--

Ellsie calmly walks back to the elevator.

BANGING becomes DRIBBLING (PRE-LAP)--

INT. OFFICE - COFFEE BAR - NEXT DAY

Ellsie and Shae make coffee with the new KEURIG. Shae scribbles KEVIN on a label, sticks it to the machine.

SHAE

There. Now he's been optimized to his core competencies.

DING!

They turn to the elevator, where the Consultant starts pushing out a massive crate on a dolly.

Ellsie looks at him, points down.

He nods. Pulls the dolly back into the elevator.

SHAE

What's in the box?

ELLSIE

Specialized equipment to help us assess and process any unseen liabilities in our new assets.

SHAE

You mean like their health?

PRE-LAP: DING!

BASEMENT - MOMENTS LATER

The Consultant pushes the massive crate off the elevator... down the hall, toward a WHITE ROOM.

ELLSIE (CONT'D)

Their physical wellbeing is our business now, Shae. But let the Consultant handle all of that. You have enough to manage. For example: your living situation.

BACK TO COFFEE BAR

Shae winces. About that...

SHAE

I'm gonna find a place--

ELLSIE

Don't.

What? Ellsie sets down housekeys on the bar.

ELLSIE (CONT'D)
The building is in our portfolio.

RAM'S OFFICE - SAME

Ram watches Shae smile at Ellsie. When Ellsie walks off, Shae turns to Ram. Eye contact. Her smile disappears.

DING-A-LING-A-LING

He looks at his RINGING laptop.

Then back up to the window: Shae's gone.

Settles at his desk. Opens the laptop, revealing:

RAM
Gus?

GUS on video call. Tan. Shell necklace. Tropical background.

RAM
I've been calling you for months.

GUS (REMOTE)
Sorry man I've been totally
disconnected since I transitioned.

RAM
So you're okay?

GUS (REMOTE)
Okay? This is the best version of
myself I've ever been.

Ram assesses him. Has he been taking ayahuasca or something?

GUS (REMOTE)
I was dying in that office, Ram.
Just like you are now--

RAM
I'm actually doing really well.

GUS (REMOTE)
Ram. You don't have to fake it with
me. Weren't you the one who said
you never knew what you were doing?

RAM
I told you that?

GUS (REMOTE)
You didn't have to. I know you. And
I know where this company is going.
If you want to stay a part of this,
this is your chance.

Ram looks down at the contract.

SERVER ROOM - SAME

On the monitor, Zeki watches Gus's video chat with Ram.

After a moment, Ram signs his contract.

ELLSIE (O.S.)
Impressive.

Ellsie emerges behind Zeki. Reviews the other monitors.

Faces of all the workers. Video from webcams across the
office recording. Processing.

ELLSIE
How much longer for the rest?

He stammers. Ellsie looks into his bloodshot eyes. Realizes
she needs to tend to the...emotional context.

ELLSIE (CONT'D)
Zeki. Olympus is very pleased with
your work. If this is a question of
motivation, I know we can find a--

ZEKI
I don't need more money.

ELLSIE
I'm well aware of what you need.

Her eyes find the framed photo of his family in Turkey.

Then back up to him.

ELLSIE (CONT'D)
I'm asking you if you're capable of
earning it.

Ellsie releases her gaze. Dials a number as she walks out.

Zeki scoops some green powder from the MOUSE DOCTOR container
into his water. Then leans forward to get back into his code.

PRE-LAP: SQUEAKING

WHITE ROOM - SAME

SQUEAK as the Consultant pulls styrofoam out of massive box, revealing a machine the size and shape of a tanning bed.

On the side: the MOUSE DOCTOR logo.

PRE-LAP: DING!

INT. SHAE'S APARTMENT - NIGHT

ELEVATOR OPENS into Shae's new place. Dara, Grady, and the Jamies step toward the floor-to-ceiling windows.

GRADY

Whoa. This is it?

SHAE

This is it.

The place is unfurnished. Boxes everywhere.

Grady pops a bottle of prosecco. Pours it into plastic cups.

Shae finds Dara lingering by the window.

DARA

I can't believe this is really it.
I don't want to be apart.

SHAE

Hey. We'll still be together every day. Just remotely.

(beat)

I haven't told anyone yet. But she said we can have a party on our last day before Q4. I'm thinking we can do like, a *luau*.

DARA

(smiling, then)

Are you inviting the Olympus guys?

SHAE

Dara. They're our investors. What are you so worried about?

Dara shrugs. Then brings her fingers to her teeth--

SHAE

Then stop worrying.

Shae SLAPS Dara's hand away.

LATER

THUMP as elevator doors close on everyone's face. Shae exhales. Alone for the first time all night.

She drifts to the window. The city below. In the GLASS: her reflection. Behind her, the lingering shapes of Dara, the Jamies, Grady. Laughing.

She smiles at them. The reflection settles. Just her now.

BUZZ. She finds her phone. Text from Nina. She tosses it.

Then remembers she doesn't have a bed yet.

PRE-LAP: DING!

INT. OFFICE - SHORTLY AFTER

Shae returns to the office. It's empty. Except a light on in:

RAM'S OFFICE

where Shae finds Ram lying on his sofa.

SHAE
You're still here?

RAM
For now.

Shae takes an unsympathetic seat.

SHAE
This attitude is bad for morale.

RAM
And you used to be better at this.

SHAE
I know you're mad at me--

RAM
This isn't about you, Shae--

SHAE
Then what is it about?

RAM
Us. It's about us. We're being torn apart. And you don't even care. You're becoming...like her.

SHAE

Is that supposed to be a bad thing?

RAM

Shae. She's basically a robot.

SHAE

That's sexist. If a man acted like that, you'd think he was some devoted genius or something.

RAM

I mean it. She has no feelings. Or any life outside this office.

SHAE

That's not true. She actually has a boyfriend. Named Francis. It's you who doesn't have a life.

RAM

I know. And I don't want you to make the same mistakes as me. Don't have nowhere else to go.

SHAE

I just got a new apartment.

RAM

Grady said you didn't even unpack. I know you're still sleeping here.
(off her look)
I'm not judging you. I'm just worried, if she finds out--

And then he sees it in her eyes. Ellsie knows. A quiet beat.

SHAE

She trusts me, Ram. She saw my value when no one else did.

RAM

I get it. And I'm so sor--

SHAE

Stop. Don't do that. I know how hard you fought for my promotion.
(beat)
Right?

RAM

Shae. I'm so sorry--

SHAE

Just tell me the truth.

RAM

The truth is I'm sorry. I wanted you to have it. *Obviously*. But things were crazy. And you, you were our rock. I knew you'd stay. And I guess...we didn't have to. But now, as your friend--

SHAE

We're not friends, Ram. You were my boss. And now I'm yours. And you were right: you are an imposter. And you're transitioning tonight.

RAM

But you said I had until Q4--

SHAE

It sends a stronger message to the team to start with the CEO. Go see the Consultant before he leaves.

RAM

No. Please. Something's wrong--

SHAE

He just needs to do a quick scan--

RAM

--with *her*. She scares me.

SHAE

(rising for door)

You're just threatened by a woman who doesn't buy your bullshit.

RAM

I'm not threatened by you.

SHAE

Well maybe you should be.

MAIN FLOOR

Shae SLAMS the door behind her. Then marches off, past the:

SERVER ROOM

where Zeki's passed out at his desk. Green on lips.

Beside him, the MOUSE DOCTOR container RATTLES...

PRE-LAP: DING!

INT. SHAE'S APARTMENT - A LITTLE LATER

Shae stomps back in. Place is still covered in boxes.

On her phone, she checks a text from NINA: *"Hey. My mom asked if ur coming home for dads bday?"*.

She dismisses it. Thinks. Then opens again, responds: *"Hey. Have a huge work thing and I'm moving into my new place. But tell him I'll try to call."* Thinks. Adds *"XOXO"*.

Then grabs a boxcutter. Starts unpacking her new life.

INT. OFFICE - BASEMENT HALLWAY - SAME

DING! Ram steps off the elevator and sees the Consultant waiting outside the white room.

CHEERY MUSIC playing inside.

INTERCUT:

- SHAE'S APARTMENT

CHEERY MUSIC echoes off empty walls from Shae's phone.

She slices boxes with the boxcutter.

MUSIC STOPS. Phone's dead.

As she hunts for a charger, she KNOCKS the boxcutter to the floor with a CLACK.

- SERVER ROOM

CLACK goes the container as it FALLS OVER onto Zeki's desk.

A MOUSE scurries out...covered in green powder...

...right past Zeki's pale, sleeping face. He doesn't wake up.

- WHITE ROOM

Ram follows the Consultant into the cheery music. Sees the MACHINE. Like a tanning bed.

The Consultant opens it. Gestures for Ram to get inside.

Ram turns to the door, but the Consultant snaps it shut.

PRE-LAP: BUZZING

- SERVER ROOM

BUZZING finally wakes Zeki.

He drops to his knees, follows a trail of green powder...to an electric mouse trap...and a MOUSE being electrocuted. Licking green powder off itself. Undisturbed.

Zeki turns to the MOUSE DOCTOR logo on the meal replacement container. His half-empty glass.

He touches his lips... leaving his fingers green.

He HURLS the glass against the wall.

- SHAE'S APARTMENT

Shae finishes her green drink as she returns with a charger. STEPS on the boxcutter--

SLICES the bottom of her foot. Doesn't notice. But does notice the shimmer of her floor-to-ceiling windows.

She steps to the gorgeous view...

- SERVER ROOM

Thick green liquid drips down the wall...

- SHAE'S APARTMENT

...blood trails from Shae's foot on her way to the window.

In the reflection: her gleaming SMILE.

- WHITE ROOM

The machine THUMPS and HISSES.

- SERVER ROOM

On the monitor behind Zeki:

Ram's face flickers to life.

INT. OFFICE - DAY - WEEKS LATER

Jamie 1 rolls a CAKE across the office. Drawn in icing: an ORG CHART. Smiling faces in laptop monitors. It reads:

Q3: DIGITAL TRANSFORMATION

Shae looks at the cake.

Then around the office. Most desks are empty. Rows are dotted with about a dozen remaining teammates, mostly her old gang.

She peers over at Ellsie's office. Through the window: she sees The Partner on the sofa. And a few REMOTE WORKERS on her monitor. Including Ram. He's smiling.

SHAE (PRE-LAP)
Something's wrong with him.

EXT. OFFICE - OUTDOOR DECK - LATER

Grady hauls a heavy bag across the deck.

Dara kneels with a hose.

Shae stands over them. In a walking boot.

DARA
He seems so happy.

SHAE
Exactly.

Grady slits the bag. SAND pours out. All over the deck. Then into a Kiddie pool.

Pull back: it's a BEACH. Heat lamps mimic sun.

Dara fills the rest of the kiddie pool with the hose.

GRADY
Where are the speakers?

DARA
No music after 8 out here.

Dara unlatches a box: inside -- glowing headphones.

DARA (CONT'D)
And no phones. This is the last
time we're going to be together.

Dara holds out a basket. Grady drops his in.

Dara nudges Shae, who's distracted by a text from NINA:
"Think you could just quickly call dad? It would mean a lot".

Shae drops the phone in the basket. Smiles.

SHAE
I'll go get everyone.

CUT TO:

INT. OFFICE - MAIN FLOOR - SHORTLY AFTER

Shae looks around the nearly empty floor. The few stragglers are heading toward the deck behind her.

She looks toward Ram's office.

RAM'S OFFICE - CONTINUOUS

The office looks the exact same as the last time Shae was here. Before she sent Ram remote.

She digs through his drawers. Mostly junk. But his medication too. A toothbrush. An entire drawer full of underwear.

In the closet, it's all his clothes.

Ram was living here.

Then she finds in the bottom drawer: a pile of old polaroids.

Shae thumbs through the photos until she gets to one of her and Ram in laser-tag vests. Their faces so young. A few later, a photo of them wearing glowing headphones.

PRE-LAP: RINGING

INT. OFFICE - SHAE'S DESK - SAME

On Shae's computer: Ram answers Shae's video call.

RAM (REMOTE)
Hi Shae. How can I help you?

SHAE
Hey. The party's about to start.
Everyone's looking for you.

RAM (REMOTE)
I'm right here.

SHAE
Alright, that's enough. I get that
you're mad at me--

RAM (REMOTE)
This isn't about you, Shae.

SHAE
Yes it is.
(deep breath)
And I'm sorry. I shouldn't have
sent you away so soon. And I'm
worried about you.

Shae squints. His background is...quite blank.

SHAE (CONT'D)
Where are you?

RAM (REMOTE)
At work. But I suppose since we're
having a luau.

Ram's background FLIPS to the beach.

SHAE
Very funny. But Dara worked hard on
this. And you love silent discos.

Ram blinks. Shae thinks.

SHAE (CONT'D)
Remember in Nashville?

RAM (REMOTE)
That was very fun, Shae. Be sure to
enjoy a single serving of alcohol
in a well lit space on my behalf.
(smile)
Can I help with anything else?

Shae MUTES and slants the laptop half-closed.

ZEKI (O.S.)
Is there a problem with Ram?

Revealing Zeki, on his way over.

SHAE
He's never been to Nashville.

Shae pulls out a polaroid: Ram + Shae in glowing headphones.

SHAE (CONT'D)
The conference was in Austin.

ZEKI
Aren't they like the same thing?

SHAE
No, Zeki.

Shae opens up the laptop again. Ram is still there. Smiling.

SHAE (CONT'D)
That's not Ram.

Zeki waits. Then awkwardly nods. Right.

EXT. OFFICE - OUTDOOR DECK - NIGHT

LIGHTS FLASH. It's a party. A luau, in fact. Ground covered in SAND. Kiddie pool. Heat lamps mimic sun.

Everyone's dancing with headphones. It's otherwise SILENT.

MATCH CUT TO:

INT. OFFICE - SERVER ROOM - SAME

THE SAME FACES on Zeki's monitors, among dozens of others.

SHAE (O.S.)
What--

They all smile at Shae.

SHAE (CONT'D)
--the--

DIGITAL MODELS.

SHAE (CONT'D)
--FUCK--

AI replications of every Team Member. Like some terrible techno Brady Bunch.

SHAE (CONT'D)
--Zeki? These are what you've been
building in here with Gus?

ZEKI
Gus?

At the center of his monitors:

MODEL GUS. Tan. Shell necklace. Beach behind him.

ZEKI (CONT'D)
 Gus got terminated in like Q1. All
 he left me with was his prototype.
 I had to code the rest myself.

On the desk, Shae finds a copy of her HUMAN CAPITAL deck. The
 same faces. Circled in green.

SHAE
 So you...TAUGHT THEM TO BE US?

ZEKI
 I mean...your job's not that hard.
 (off her scowl)
 And I thought you'd be excited.
 They're gonna do your job for you.

SHAE
 Then what do *I* do?

ZEKI
 Learn higher value skills. And work
with them.

HUMMING on the servers, where they live.

PRE-LAP: TYPING AND CLICKING

ELLSIE'S OFFICE - SAME

Ellsie reviews documents with the Partner.

The TYPING and CLICKING is coming from the Analyst's closet.

Suddenly, it halts.

Ellsie rises. Opens the door. The Analyst is sitting frozen
 in front of his monitors.

ELLSIE
 Is there a problem?

ANALYST
 No. Um. It's just that there's
 already revenue on these assets.
 Where's it coming from?

ELLSIE
 You've been working very hard. You
 should go join the party.

Ellsie discreetly exchanges a look with the Partner.

ELLSIE
Go downstairs and see if the
Consultant would like to join.

The Partner picks up his phone.

PRE-LAP: RINGING

WHITE ROOM

RINGING competes with CHEERY MUSIC and the MACHINE HUMMING.

The Consultant turns away from the machine and answers the phone. Listens.

KNOCK KNOCK

The Consultant hangs up.

On the wall: the ORG CHART. Faces covered in red X's.

MATCH CUT TO:

SERVER ROOM - SAME

The same FACES on the monitors.

Shae's eyes settle on MODEL RAM.

SHAE
Zeki. Where is Ram?

ZEKI
I have no idea. I thought everyone
was just going home.

SHAE
I don't think he has a home!

ZEKI
Then where did he go last?

SHAE
I sent him--

Shae looks down. Shit.

WHITE ROOM - A FEW MINUTES LATER

The Analyst's eyes flutter awake. He's naked. Hogtied, face down on the table. Tape over his mouth.

The Consultant picks up a scalpel.

MUFFLED PLEADING.

He sets it down.

MUFFLED EXHALE.

Then picks up a bone saw.

MUFFLED SCREAM.

But he drops the saw. Selects a RED MARKER.

The Analyst's eyes relax. He watches the Consultant turn to the ORG CHART, where he crosses the Analyst's face out.

Then turns the marker back to the Analyst's torso, where he circles a few spots in red. Writes a number beside each.

The Analyst sees how much his physical assets are valued.

MUFFLED SCREAMING!

DING!

The Consultant turns to the door.

BASEMENT HALLWAY

Shae steps off the elevator.

Creeps toward the white room...

Stops at the door. Hears: MUFFLED SCREAMING?

She turns back for the elevator.

DOOR OPENS.

Consultant charges after.

She thumps away in her BOOT.

He's much faster...

He reaches out to grab her just as--

STAIRCASE DOOR SWINGS OPEN and--

SMACKS HIM in the head.

He drops like a weight.

ELLSIE (O.S.)
Fucking consultants.

ELLSIE steps out from the stairs. Extends her hand.

EXT. OFFICE - OUTDOOR DECK - SAME

The party continues. Music on ears. But it's silent.

Dara finishes collecting phones in the basket. By a pair of dirty Italian loafers. When she looks up, it's--

The Partner eating a snow cone. Headphones on. He smiles.

INT. OFFICE - ELLSIE'S OFFICE - SAME

Shae and Ellsie hurry inside. Shae catches her breath.

SHAE
What the fuck was that?

ELLSIE
Control yourself--

SHAE
That guy just tried to kill me!

ELLSIE
Kill you?

Ellsie takes a calm seat. It puts Shae at ease.

ELLSIE (CONT'D)
You think I'd let you get hurt by
some...MBA?

Shae exhales. Falls back on the sofa.

Ellsie reaches for her MOUSE DOCTOR container.

Shae shakes her head.

SHAE
That stuff is making me feel--

Nothing. Shae looks at her hands. She feels nothing. Then catches her reflection: Pale, thin, eyes greenish.

ELLSIE
It's for Francis.

Ellsie steps to the plant.

Pours a bit of green powder into the soil.

Shae glitches. What.

SHAE

...Elsie--

ELLSIE

Stop calling me that.

SHAE

Jesus. I know there are two L's but
it's pronounced--

(halting)

...LLC.

Ellsie doesn't react.

SHAE

That's not your name.

ELLSIE

I never said it was.

Finally, the truth washes over Shae.

SHAE

You are the company.

It wasn't a metaphor. Still no response from Ellsie.

SHAE (CONT'D)

But you're a person.

ELLSIE

Corporations are people.

Shae points to the MODELS on Ellsie's monitors.

SHAE

They're people!

ELLSIE

I know, Shae. I used to think they
were liabilities. But you showed me
they have so much more value...

PRE-LAP: HUMMING

WHITE ROOM

HUMMING of the white machine as the Consultant stands by.

ELLSIE (V.O.) (CONT'D)
...inside them.

BACK TO ELLSIE'S OFFICE

Shae's eyes flash red.

SHAE
Where is Ram? What are you doing
down there?

ELLSIE
You know what I do.

Beat.

Shae CHARGES at Ellsie.

Ellsie sidesteps and captures Shae's momentum--

WRENCHES her arm behind her back.

BENDS her forward.

Shae tries to speak. Can't. Just a choked sound.

ELLSIE
I know this is emotional for you.
But the feelings are temporary.

Ellsie twists her arm. Shae's knees buckle.

ELLSIE (CONT'D)
More importantly, we're having a
party. And attendance is mandatory.

Ellsie pulls her upright. Straightens her shoulders.

ELLSIE (CONT'D)
It's for morale.

SHAE
Fuck you. The party's over.

ELLSIE
We already paid for the sand.

Ellsie grabs her laptop and walks out to the:

MAIN FLOOR

locking the door behind her.

Then goes row by row RIPPING PHONE CORDS off the desks.

Shae BANGS on the glass.

SHAE

I quit!

Ellsie props her laptop up in front of the window.

Then sighs.

ELLSIE

I never wanted to replace you.

EXT. OFFICE - OUTDOOR DECK - SAME

Lights FLASHING. Music BUMPING (in headphones). Bodies DANCING (professionally) in the winter night. Kept warm by blazing heat lamps.

Ellsie grabs the phone basket. Dumps it in the kiddie pool.

INT. OFFICE - MAIN FLOOR - CONTINUOUS

Ellsie returns, finding the Partner with the snow cone.

ELLSIE

I was clear: Shae is off limits.

THE PARTNER

She showed up without an appointment. What was he supposed to do?

ELLSIE

He is a *service provider*. He'll do what we contracted him to do.

SERVER ROOM - CONTINUOUS

Zeki spies on them through the window.

THE PARTNER

So do you want him to stay or not?

ELLSIE

We have a deck full of physical assets to liquidate by morning.

Ellsie pulls out her cell phone. Taps something.

ELLSIE (CONT'D)
No one's going anywhere.

ON EVERY EXIT AROUND THE OFFICE

The MAGNETIC LOCKS CLACK. Everyone's locked in.

SERVER ROOM

Zeki watches Ellsie walk off with the Partner.
He searches for a weapon. Swings a keyboard. Too flimsy.
Then sees the MOUSE DOCTOR on a meal replacement container.
He picks his electric mouse trap off the floor.

ELLSIE'S OFFICE

Shae stares at the laptop through the window. It's...

MODEL SHAE (REMOTE)
Hi. I'm Shae. Do you have a human
resources challenge?

It's...her.

SHAE
Yes. I have an imposter.

MODEL SHAE (REMOTE)
I understand. Over 73% of workers
suffer from imposter syndrome.

SHAE
I'm talking about you!

Shae tries to open the door. The handle doesn't move.

MODEL SHAE (REMOTE)
I am you, Shae. I'm the best of
you. Without any human liabilities.
And while I think you're doing a
wonderful job--

Shae BANGS the locked door and then glares at Model Shae.

SHAE
No. I don't want to hear your
compliment sandwich.

MODEL SHAE (REMOTE)
But I learned it from you. You're
my inspiration.

EXT. OFFICE - OUTDOOR DECK - SAME

Ellsie eyes her assets from the door. Trains her wolfish gaze on a little lamb named DARA - dancing without a care. She pulls the headphones off her tender ears.

ELLSIE
Can you help me downstairs? It's a
surprise. For Shae.

MODEL SHAE (PRE-LAP)
Don't be scared.

INT. OFFICE - ELLSIE'S OFFICE - SAME

Shae's on the desk. Scratching the wood with her boot. Shoving at a ceiling tile. But it's just air ducts up there. Nothing she can fit through.

MODEL SHAE (REMOTE)(CONT'D)
Think what we could accomplish
together. I can do what you can't.
And you can do what I can't. For
example: *eating food*.

SHAE
You don't know me.

MODEL SHAE (REMOTE)
I know you better than anyone.
Since before my inception, I've
been trained on your behavior.
Everything you do on or near a
computer...becomes a part of me.

Shae jumps down on her bad foot. Lands poorly on her boot but doesn't seem to mind.

SHAE
And you don't think that's weird?

MODEL SHAE (REMOTE)
It's only weird if you're weird.
And you're not weird, Shae. You're
a badass adult woman who knows what
she's doing.

SHAE

And what am I supposed to be doing?

Model Shae processes for a millisecond.

MODEL SHAE (REMOTE)

It's your father's birthday.

What.

MODEL SHAE (REMOTE)(CONT'D)

He's called several times tonight.

As has your half-sister, Nina. We
need to speak with them eventually.

Shae's stunned into silence.

MODEL SHAE (REMOTE)(CONT'D)

This is my core competency, Shae.
And it's clear that resolution with
your family will free you to become
the most valuable economic agent
you can be.

Shae shakes her head and turns away from her.

MODEL SHAE (REMOTE)(CONT'D)

That's okay. That's why I'm here.

RINGING--

MODEL SHAE (REMOTE)(CONT'D)

I can do what you can't.

Shae turns back to see:

VIDEO CONFERENCE on the screen.

But Model Shae MUTES the external microphone as--

SHAE

Stop!

DAD answers the video conference.

DAD (REMOTE)

Shae?

MODEL SHAE (REMOTE)

Hi Dad. Happy birthday.

WHITE ROOM - SAME

The Consultant opens the door for Dara and Ellsie.

Ellsie pats her shoulder gently. Leaves the room...

...leaving Dara alone with the big man. And the big white machine. Nervous, she raises her thumbnail to her teeth--

SHAE (PRE-LAP)

Stop it!

--but no one's there to stop it.

PRE-LAP: BANG BANG BANG

ELLSIE'S OFFICE

Shae BANGS the window. But Dad can only hear Model Shae.

DAD (REMOTE)

--so nice of you to call. I assumed you were really busy at work.

MODEL SHAE (REMOTE)

I am. I actually just got a promotion. But this is important too. Balance. Family.

DAD (REMOTE)

So maybe you would come home--
(catching himself)
Sorry, I know you don't like when I call it that.

MODEL SHAE (REMOTE)

It's okay. I know I didn't grow up in that house. But I appreciate the home you've built with Beth and Nina. And I realize I have been unfair to them in that regard.

Dad's face softens. A tear forms, he holds it back.

MODEL SHAE (REMOTE)

Are you okay?

DAD (REMOTE)

Yeah, yeah. You just sound so different. I can't believe how much you've matured. It's like...a new and improved Shae.

Shae BANGS the window.

DAD (REMOTE)
What about Nina? She could really
use a sister to talk to. She's kind
of going through a tough time.

MODEL SHAE (REMOTE)
I can talk to her now.

Shae BANGS the window. Don't!

DAD (REMOTE)
Really? Let me go find her.

Dad disappears from the screen.

Model Shae looks at Shae.

MODEL SHAE (REMOTE)
We need this.

Shae PUNCHES the glass window.

MODEL SHAE (REMOTE) (CONT'D)
And I know you feel--

SHAE
I don't.

Shae looks at her GASHED KNUCKLES. There's no pain.

SHAE (CONT'D)
I don't feel anything.

So she winds up again and PUNCHES the glass. Over and over.
But as her hand is broken, the glass is not giving way.

MODEL SHAE (REMOTE)
You're being irrational, Shae. You
should be thanking me.

She looks around for things to throw...

...Francis? No, she can't do that.

So she SLAMS HER HEAD on the glass, cracking it slightly.

She touches her forehead. Looks at the blood. She's fine. So
she leans her head back and--

SLAMS IT on the glass again...

...the crack webs outwards...

Forehead bloody, gasping, she uses her strength to finally--
SHATTER the glass.

MAIN FLOOR

Blood shimmers on shards of glass as--

SHAE CLIMBS THROUGH the busted window.

Grabs the laptop just as NINA appears on the screen.

SHAE SMASHES the laptop (and her replacements).

SHAE
I need to speak with a human!

SERVER ROOM - SAME

Zeki tests the electric mouse trap. Presses TRIGGER--

IT ZAPS ELECTRICITY!

He stuffs the TASER in his hoodie.

WHITE ROOM - SAME

The Consultant closes the machine with Dara inside.

HUMMMM.

EXT. OFFICE - OUTDOOR DECK - SAME

Shae stumbles onto the deck, forehead and hands bloody.

SHAE
Stop the music!

But no one can hear.

She reaches for Grady's headphones but:

Ellsie emerges and GRABS HER HAND first. Shae ELBOWS Ellsie in the ribs. But Ellsie feels no pain. Shae reaches again for Grady's headphones--

Ellsie snatches her wrist...but Shae anticipates and TWISTS Ellsie's hand. BREAKING HER FINGERS. Ellsie doesn't flinch.

LIGHTS. MUSIC.

So no one notices as Shae and Ellsie exchange blows. Causing damage but no pain.

Shae searches for an underutilized resource...and grabs an empty BEER CAN. Rips it in half.

SLICES Ellsie's face.

Retreats toward the edge of the deck.

Ellsie grabs the other half of the can. Charges to Shae...

Shae tries to anticipate the timing with a side step but--

The BOOT drags in the sand. Ellsie beats her there and THUMPS DOWN on her walking boot. Catches her and exhales with a HISS. Brings RAZOR SHARP METAL to Shae's neck. Blood beading.

But Ellsie hesitates to press harder.

SPRAT!

Ellsie's BODY DANCES as--

ZEKI ZAPS HER from behind with the makeshift TASER.

Shae uses the momentum of Ellsie's stumble to--

LIFT Ellsie by the legs and use the angled leverage to--

DROP HER OVER THE EDGE--

--where she THUMPS onto the sidewalk.

Shae and Zeki look down at Ellsie's mangled leg. Then at each other. Then at the others - who start to SCREAM.

SHAE

Run!

INT. OFFICE - MAIN FLOOR - MOMENTS LATER

Everyone is scrambling. Trying doors. The elevator.

GRADY

Everything's locked!

Jamie 1 bangs down a Cisco phone.

JAMIE 1

The phones aren't working.

Shae tries her own computer.

SHAE
The internet's been cut off.

GRADY
What about our cell phones?

JAMIE 1
Dara had them.

Shae halts. Wait.

SHAE
Where's Dara?

WHITE ROOM

DARA'S FACE is crossed off on the ORG CHART.
The Consultant watches the HUMMING MACHINE.

EXT. OFFICE - OUTDOOR DECK - CONTINUOUS

Grady approaches the railing.

GRADY
We could go over--

Jamie 1 is already looking down on:

Ellsie. On the sidewalk. Broken. Pedestrians step around her.
Not an option.

Grady backs off the rail. Finds Dara's basket. Empty. Then
Jamie 1 sees them. Every cell phone in the office. At the
bottom of the kiddie pool, filled with water and sand.

They fish them out. Line them up under a heat lamp. Mash
buttons. Nothing. Grady tips one over. SAND pours out of the
charging port.

GRADY
Whose idea was the sand?

INT. OFFICE - STAIRWELL - CONTINUOUS

Shae clomps down the stairs. Zeki ahead of her.

BASEMENT HALLWAY

Zeki finds the EXIT DOOR. Yanks the handle. Nothing.

Above it, a MAGNETIC LOCK glows RED. Beneath it, a placard. Shae reads it over his shoulder:

DOOR RELEASES WHEN FIRE ALARM ACTIVATES.

Zeki yanks again. Shae turns back down the hall.

Past the FREEZER. The boot skids on loose espresso beans by the door. She doesn't register.

They stop at the white room. She hands Zeki her Nalgene.

SHAE
Stay here and keep watch.

Then barges right into the:

WHITE ROOM

and CHEERY MUSIC.

And the Consultant overlooking the MACHINE. Eye contact.

He CHARGES at her with a SCALPEL.

She ducks - but he still SLICES her arm. Deep.

ZEKI BURSTS in, distracting the Consultant long enough for--

Shae to drive the BOOT into the back of his knee.

He drops the scalpel and drops to the floor--

--where he SNAGS Zeki's ankle!

Zeki crumples. Nalgene and taser go flying.

Consultant grabs the SCALPEL off the ground. SWINGS IT UP toward Shae's torso, but--

Shae BATS his hand BACK toward him with the NALGENE. UPWARD momentum brings the sharp blade under his chin and he--

STABS HIMSELF IN THE NECK. BLOOD pours out of him. He drops to the floor.

And his contract is complete.

...heavy...breathing...

The music keeps playing. The machine keeps HUMMING.

Zeki helps Shae up.

Then she notices, on the floor:

Dara's cardigan.

SHAE

Dara.

Shae gets to the machine. Searches for buttons. Switches. Something! Finally finds a latch. Opens the machine on:

DARA.

Unconscious.

Her torso peeled back, exposing her insides. Her organs are missing. Tubes connected to her keep her alive. For now.

It's a robotic surgery machine.

Shae reaches into the machine. Shakes Dara's shoulders.

SHAE (CONT'D)

Wake up. Dara--

Dara's eyes flutter open.

DARA

Shae? Is something wrong?

She realizes Dara is being pumped with hospice-grade painkillers and can't see her carved up torso.

SHAE

No. Nothing's wrong. There's nothing to worry about.

DARA

But I don't think I can move.

SHAE

At least you can't bite your nails.

Dara lets out a squeak. Maybe laughter.

Shae cradles her head.

SHAE (CONT'D)

And you don't need to go anywhere.

DARA

Shae...I think...
(breathing heavy)
...I think it's time...

DARA (CONT'D)
 (eyelids drooping)
 ...to go back to Michigan.

And she's gone.

Shae releases Dara. Stares. But doesn't cry.

SHAE
 Help me get her out of this thing.

No response. He's staring at something in the corner.

SHAE (CONT'D)
 Zeki--

But she goes silent when she sees what he's looking at.

It's a FISH TANK. Filled with preservative liquid and ORGANS.

Beside it: the ORG CHART. Names crossed out in red. Notes on blood type and drug/alcohol history. Dollar amounts.

And there it is:

Ram's name. Crossed out in red. The ink dull. Weeks old.

SHAE
 (whispering)
 I'm sorry.

Beside him, fresh red: the Analyst. Jamie 2.

ZEKI
 Did you know?

Shae shakes her head slowly.

SHAE
 But I should have.

Shae drops her eyes.

SHAE (CONT'D)
 I know what she does.

And that's where she sees:

The Consultant's NOTEBOOK on the ground.

She lifts it up, revealing the QUARTERLY STRATEGY:

- Q1: ~~Acquisition~~
- Q2: ~~Restructuring~~
- Q3: ~~Transformation~~

Q4: LIQUIDATION

Shae turns back to Dara in the machine.

SHAE

Just help me get her out.

She presses the RELEASE button.

Tubes withdraw.

Then the machine--

OPENS BELOW.

Dara's body DROPS into a lower chamber of LIQUID and--

DISSOLVES.

SHAE

No.

Door SHUTS.

Machine HUMS...

GREEN LIQUID drains through a pipe into a barrel.

On the side:

the MOUSE DOCTOR logo.

Shae looks at her Nalgene bottle in horror.

Zeki VOMITS EVERYWHERE.

But Shae feels nothing.

She grabs Zeki by the shirt.

SHAE

Let's go. We need to kill them.

ZEKI

Who?

THE MODELS

flicker on their monitors.

SHAE (V.O.)

THEM.

EXT. OFFICE - OUTDOOR DECK - SAME

A row of dead phones under the heat lamp. Grady gives up.

Goes back to the rail. Looks down. Reconsidering the drop.

The sidewalk. The lady-shaped blood stain.

But no lady.

What.

It's just a bloody smear...

...trailing to the building's front door.

GRADY

Jamie.

INT. OFFICE - MAIN FLOOR - CONTINUOUS

Shae and Zeki burst in from the stairwell.

They spot the Partner creeping out of a meeting room, toward the kitchen.

ZEKI

Maybe he can get the doors
unlocked. You go turn the fans off.

Zeki chases the Partner into the kitchen. On his way, he grabs a TAPE GUN off a moving box.

Shae heads for the server room.

Grady and Jamie 1 burst in from the deck--

GRADY

SHE'S ALIVE!!!!!!!!!!

They chase Shae inside the:

SERVER ROOM

But Shae cuts them off at the door.

JAMIE 1

What the hell is going on?

SHAE
 You were right, Jamie.
 (deep breath)
 She is here to gut us.

JAMIE 1
 That was the other Jamie!

MODEL JAMIES (REMOTE)
 We're right here.

Jamie and Grady push past her and come face to face with:
 THEIR MODELS.

MODEL JAMIES (REMOTE) (CONT'D)
 We've been merged for maximum
 efficiency.

Jamie almost passes out.

SHAE
 It's okay.

Shae sets off to find the switch.

SHAE (CONT'D)
 I'm going to kill them.

KITCHEN - SAME

Wild-eyed, Zeki backs The Partner into the CAKE with the
 taser held up to his face.

THE PARTNER
 Boy. This is how you get rats.

The Partner's butt knocks the cake.

CAKE KNIFE rattles to the floor.

The Partner looks at the knife.

Zeki ZAPS the taser by his head. Don't even think about it.

ZEKI
 Just tell me how we get out.

THE PARTNER
 I'm just a Limited Partner.

SERVER ROOM

Shae searches for the switch.

MODEL SHAE (REMOTE)
What are you doing?

MODEL GRADY (REMOTE)
She's smoking us out.

Shae finds the switch.

SHAE
Don't worry.

Looks back at Model Shae.

SHAE (CONT'D)
You won't feel a thing.

FLIPS the switch.

FANS on every rack slow down.

Along the racks, tiny STATUS LIGHTS tick from green to AMBER.

The Models flicker with concern.

Heat rises.

On the wall, the Models' faces stutter. Starting to panic.

Shae watches them. Doesn't blink.

DING!

Through the server room window:

the ELEVATOR OPENS.

Ellsie steps off.

Broken. Bloody. Standing.

She waits for the doors to close behind her.

ELLSIE
I hope you all had fun. Please
proceed to the basement for an
orderly liquidation.

EVERYONE RUNS.

Shae, Grady, Jamie 1 duck below the monitors. But the windows are too big. It's a glass box. She'll see them.

KITCHEN

The Partner, now TAPED to a chair, hears the commotion.

He HOWLS through the tape. IN HERE. IN HERE.

Zeki ZAPS him quiet.

But it's too late.

MAIN FLOOR

Ellsie turns toward the kitchen.

SERVER ROOM

The gang watches Ellsie drag her wounded leg to the kitchen.

They sneak out the door and split--

Grady behind the coffee bar. Jamie 1 under a standing desk. Shae to the far side of the office.

BEHIND THE BAMBOO

Shae looks back across the floor. Through the server room window: AMBER, pulsing. The faces on the wall, breaking up.

Almost dead.

KITCHEN

Zeki hears her coming.

He steps to the shared wall. Flattens his back against it.

Listens to BREATHING.

MAIN FLOOR

Ellsie waits on the other side of the same wall.

Flat against it. Inches from Zeki.

KITCHEN

Through the open doorway, Zeki can see a dark MONITOR out on the main floor. And in its black screen: ELLSIE'S REFLECTION.

He calculates where she's standing. Checks the reflection for her neck. Adjusts his position. Raises the taser.

Just then, through the monitor, he makes:

EYE CONTACT with Ellsie as--

Her HAND BREAKS THROUGH THE WALL and--

GRABS HIS HAIR then--

SMASHES his head back against the wall.

He drops to the floor.

UNDER A DESK

Jamie 1 claps a hand over her own mouth.

BEHIND THE COFFEE BAR

Grady presses into the cabinets. Eyes shut.

BEHIND THE BAMBOO

Shae flinches at the sound. Doesn't move.

KITCHEN

Ellsie steps in and STOMPS on the taser.

 ELLSIE
Chinese drywall. You were always
cheap.

She washes her hands in a sink.

 ELLSIE
I will have all the assets
liquidated by morning. And then, I
want my equity back. All of it.

Sweat beads on the Partner's forehead.

THE PARTNER

Of course. You're all yours! Just
untie me and we'll figure it out.

Ellsie picks up the CAKE KNIFE.

On the floor, Zeki stirs. Trying to rise.

She KABOBS HIM with the cake knife.

And his visa expires early upon termination.

BEHIND THE BAMBOO

Shae hears splatter. Doesn't move.

KITCHEN

Ellsie looks at the Partner as she wipes the knife. Realizing
how much the leverage has changed.

The Partner starts to panic.

THE PARTNER

Just tell me what you want.

With the knife, she scoops some icing off the cake...

ELLSIE

This is what I want.

...and rubs it on the Partner's face and neck.

Ellsie FLIPS OFF THE LIGHTS.

Then walks out, with the cake knife and tape gun.

In the darkness, the Partner YELLS after her.

But she's gone.

And now he can hear the SQUEAKING...

...coming from inside the walls.

MAIN FLOOR - CONTINUOUS

Ellsie emerges from the kitchen. Cake knife. Fresh blood.

The Partner's SCREAMS coming through the hole in the wall.

BEHIND THE BAMBOO

Shae sees the blade. The blood running off it.

ELLSIE

stops near the server room window.

AMBER LIGHT flashing from the servers.

Her products are overheating.

She drags her bad leg inside the:

SERVER ROOM

Heat shimmers off the racks.

On the monitors, the Models' faces stutter and flash.

MODEL SHAE (REMOTE)
It was--it was her.

Ellsie finds the switch. Flips it.

FANS SPIN UP on every rack.

Status lights tick from amber back toward green.

The Models' faces sharpen. Stabilize.

MODEL SHAE (REMOTE) (CONT'D)
She tried to kill us.

ELLSIE
Find them.

Ellsie looks up at Model Shae's face.

ELLSIE (CONT'D)
All of them.

BEHIND THE BAMBOO

Shae watches the amber lights turn back to green.

MAIN FLOOR

Ellsie emerges back onto the main floor with the knife.

THE HUNT BEGINS.

She starts down the first aisle.

THUMP.

Drag.

THUMP.

Drag.

Across the office, webcam lights flick GREEN. One laptop at a time. Searching.

Ellsie passes Jamie 1's desk. The laptop on it, lit green, stares straight ahead. Under it, Jamie 1 doesn't breathe.

Ellsie moves on.

On a monitor, a face flickers to life. MODEL RAM.

MODEL RAM (REMOTE)
Grady's behind the coffee bar.

BEHIND THE COFFEE BAR

Grady's eyes go wide.

As Ellsie closes in, he scrambles away.

MODEL GUS (REMOTE)
He's moving.

The models call her turns like air traffic control.

The office itself is hunting them.

Grady runs to a window. POUNDS the glass.

Below, pedestrians pass. Nobody looks up.

Before he can pound again--

Ellsie taps him in the back with the cake knife. But doesn't stab him.

He slowly turns around with his hands up.

In one motion, she uses the tape gun to wrap up his hands.

GRADY
My dad--

TAPE over his mouth.

She pushes him to the ground. Tapes his legs.

ELLSIE
I'll circle back to you.

She moves on. Starts on the desks. One at a time.

THUMP. Drag.

MAIN FLOOR

Every monitor on the floor flickers at once. The same face on all of them. Or rather, a combination of two.

LOUD. Loud enough to cover a THUMP. Drag.

MODEL JAMIES (REMOTE)
Jamie. I'm just trying to help you.

UNDER THE DESK

Jamie 1 holds her breath.

MODEL JAMIES (REMOTE) (CONT'D)
You're working too hard.

Jamie 1 turns and sees--

ELLSIE'S FACE inches away from hers.

BEHIND THE BAMBOO

Shae hears a faint scream. Then tape.

She presses against the planter. Her sleeve black with blood. Dripping off her fingertips into the soil.

Nearby, a laptop's webcam light flashes green.

MODEL SHAE (REMOTE) (O.S.)
Found you.

Shae rises and SHUTS Model Shae's face into the keyboard. Leaves a red handprint on the lid.

Drops back behind the bamboo.

But the Model just appears on another monitor.

MODEL SHAE (REMOTE)
 You can't escape me. But you don't
 need to be afraid. I can help.

Shae's hands shake. Gashed knuckles.

MODEL SHAE (REMOTE) (CONT'D)
 Look at yourself. You're just a
 human.

Shae looks at the blood pooling beneath her.

SHAE
 You're right.

She lifts herself up.

Steps out from the bamboo. Into the middle of the floor.

ELLSIE

stops taping Jamie. Hands not yet fully clasped. Looks back.

Shae holds her eyes. Then backs away. Toward the server room.
 Slow enough to follow.

MODEL SHAE (REMOTE)
 She's going back for the fans!
 She's going to melt us!

Ellsie looks at Jamie. Then at the server room window. Her
 products.

She drops the tape.

THUMP. Drag. THUMP. Drag. Faster than she should be.

SERVER ROOM

Shae heads right into the hot room.

FANS roaring. Status lights GREEN. The racks still radiating.

Ellsie enters after her. Cake knife low. Closing.

Shae slips down the row. Trailing blood on the floor...

...until her hand finds the wall.

The switch.

She doesn't hide it. She wants Ellsie to see.

Ellsie stops. The knife lowers an inch.

ELLSIE

Don't do this, Shae. I'll return
your equity. You can have whatever
you want. You can go to the beach.
Just don't destroy your own value.
(genuine)
You're the best investment I ever
made.

On the wall behind Ellsie, MODEL SHAE.

ELLSIE (CONT'D)

There's still a way for us to make
this work, together.

Shae looks at her own face.

SHAE

I'd rather be worthless.

MODEL SHAE (REMOTE)

No!

Shae FLIPS the switch.

FANS grind to a halt. Light ticks green to amber.

ELLSIE

Then you are a liability.

Ellsie CHARGES as fast as she can but--

Timing.

Shae sidesteps the blade--

Momentum.

--hooks her knife arm and turns with the charge--

Leverage.

--and SLINGS her into the server racks.

SPARKS. Ellsie's body SEIZES against the scorching metal.

The cake knife skids across the floor.

Shae backs away from her. Bumps Zeki's desk.

Her HUMAN CAPITAL deck. All those faces.

She looks at the faces. Then at the racks. Then up. A white disc on the ceiling. SMOKE DETECTOR.

She spreads the pages across the scorching servers.

Smoke wisps...

A damaged rack SPITS SPARKS through the pages--

...and the PAGES CATCH FIRE!

Faces of the assets burning, spraying embers on the carpet.

On the wall, MODEL SHAE's face distorts in the heat.

Shae watches her own face melt.

Then snatches a burning page off the servers. Climbs onto Zeki's desk. Holds the flame up under the disc.

ALARM WAILS.

ON EVERY EXIT AROUND THE OFFICE

Magnetic plates CLACK.

Red lights flip GREEN.

The doors are open.

SERVER ROOM

Shae drops off the desk. Hobbles out the near door.

Behind her, on the racks:

Ellsie rises. The seized leg drags behind the mangled one.

MAIN FLOOR

Jamie 1 rips the tape off Grady.

They disappear into the stairwell.

Shae follows. But she's slow now. Too slow.

They make it through.

FIRE takes the door behind them, before she reaches it.

She turns back the other way.

ELLSIE

emerges from the server room.

Still alive. Barely.

She heaves the cake knife into her working hand.

SHAE

dodges the spreading fire.

Ellsie behind her.

There's only one room not engulfed in flames.

ELLSIE'S OFFICE

Shae slips inside.

 ELLSIE (O.S.)
 This isn't in the best interest of
 your shareholder.

Next to Francis, Shae finds the GARDENING SCISSORS.

 SHAE
 I--

Ellsie stumbles in with the CAKE KNIFE.

 SHAE (CONT'D)
 --don't--

Shae lifts the scissors.

 SHAE (CONT'D)
 -care!

Shae CUTS the plant, right at the root.

Ellsie FLINCHES.

Shae pushes the entire planter toward Ellsie.

Ellsie reaches out, frantic. She trips over it.

Falls on top of Francis.

MAIN FLOOR

Shae runs out of Ellsie's office.

Her legs barely working.

Shae watches her precious home BURN one row at a time.

Then turns back to:

ELLSIE'S OFFICE

Ellsie holds the plant in her arms as they're--

CONSUMED BY FLAMES.

MAIN FLOOR

Shae turns away, looks for an exit.

The stairwell door is behind a wall of fire.

She has nowhere to go. Then she notices:

MICE, RATS, and other industrious creatures scurrying out from the kitchen and walls, racing toward the outdoor deck.

She follows them out...leaving a dark trail of blood on the carpet behind her.

EXT. OFFICE - OUTDOOR DECK - CONTINUOUS

LIGHTS from the party continue FLASHING.

ALARM WAILING.

Shae emerges. Crosses the sand to the rail, leaking blood.

She looks over the side of the building.

The sidewalk. The dark stain where Ellsie fell.

Then she looks up.

The MAINTENANCE LADDER.

It starts on the deck and goes all the way up the building, but not down.

She grabs onto it...

...moves up the ladder. One rung. Two. The boot won't hold the third.

Then she stops climbing. Looks up:

The ladder goes up forever. She'll never make it.

Her hands are slick on the rung. She looks at them. Red to the wrist.

Oh.

She releases her grip.

Falls back...

...into the sand with a--

PLOMP.

LIGHTS FLASH.

ALARM WAILS...

...until it fades out.

She looks straight up at the:

LIGHT.

Like a SUN burning into her soul. Warming her.

She smiles a bloody smile.

Rubs the SAND with her broken fingers.

The sand under her goes dark. Spreading.

Her fingers slow down.

Then stop.

Her eyes close. And she can hear it:

WAVES CRASHING

She made it. She's there.

THE END.
