INT. OFFICE - NIGHT

RINGING rattles off glass meeting rooms hued in greens and reds.

But no Team Members are at their desks.

Not that they're really *theirs*.

Hüm Automations features an open-plan office, with a range of flexible spaces for both Work *and* Life...

RING

...a snack-stocked kitchen, a sage-scented meditation room, and a black marble coffee bar with a barista named Kevin.

But it's too late for Kevin now. And the kitchen's closed.

Yet BASS THUMPS the floors. Punctured only by--

RINGING

from behind rows of lush bamboo, where sleek white standing desks are empty. Except, of course:

SHAE'S DESK

with its motivational sticky notes and pinned polaroids of Team Members embracing at corporate retreats...

...and the Cisco 7800 shrieking its industry-leading:

RING--

SHAE (29, accessible in a company fleece) snaps it up.

SHAE
HR, this is--

RAM (PHONE)
Shae.

The voice ripples down her spine.

RAM (PHONE) (CONT'D)
I know what you're doing.

She swirls her chair to scan the office...but it's empty.

As she spins back--

Her laptop SNAPS shut.

RAM, the 40ish Chief Operating Officer, looms over her.

RAM
Time to go.

She opens her mouth to protest.

But he just shakes his head and turns away...

...then bends forward. She exhales.

Then hops on his back for a piggyback ride down the hall.

RAM
Relax. You've practiced enough.
You're gonna crush it tomorrow.

BASS becomes MUSIC as Ram opens the door to a:

PARTY

with a bountiful buffet, a bouncing dance floor, and a gaggle of buzzed TEAMMATES. And on stage:

GUS HÜM (Founder & CEO) pacing in plain black.

GUS
--founded this company with one
simple idea: that our tools will
make us *more human* - not less.

At the buffet, THE PARTNER (60s, cargo shorts) gnashes buffalo wings. Teeth ripping sticky red flesh from the bone.

GUS (CONT'D)
That software can handle the noise,
so people can do the work.
(catching Partner's eye)
And that's only possible with the
continued support of Olympus
Capital. So, thank you.

The Partner returns a saucy smile, hands a clean bone to his hulking CONSULTANT beside him. Licks his fingers.

GUS (CONT'D)
And thank you to everyone here.
Because the real value of this
place isn't products. It's *people*.

The Partner stops licking.

Down the buffet, Shae discreetly wraps shrimp in a napkin.

SHAE'S DESK - MINUTES LATER

Shae pops open her laptop, revealing a PowerPoint deck (ShaeValue.ppt). Slides detailing 8 years of contributions and a convincing case for promotion to Vice President.

She digs into the shrimp. And clicks through the slides.

Each CLICK advancing a slide.

Each slide a moment of her evening in an **OPENING SEQUENCE**:

- CLICK. Shae reviews her bio page.
- CLICK. Shae prints 12 copies.
- CLICK. A wheel rotates slowly.
- CLICK. Exercise bike. Going nowhere. Deck propped on bar.
- CLICK. Shae washes her face.
- CLICK. Shae drops her head on a pillow.
- CLICK. Shae turns off the lights.

SEQUENCE ENDS as she straps on her sleep-mask.

Shae turns over. Sinks into the pillow. Drifting off, until--
DING!

Shae sits up, confused. Peels off the sleep-mask.

Carefully tiptoes to door...

...cracks it, and peeks out to the:

MAIN FLOOR

of the OFFICE just as--

Gus jumps off the elevator.

He zips by a door marked MEDITATION ROOM but doesn't see:

Shae peering through the crack, from inside.

MEDITATION ROOM - SAME

Once he's out of sight, Shae exhales.

Through the door, a sliver of light shines on the front page of her deck, just the middle chunk of her title (Head of Human Resources), illuminating:

HUMAN RESOURCE

Shae closes the door. Room goes dark, leaving the words unreadable. She goes back to sleep.

GUS'S OFFICE - SAME

Gus hurries into his office and finds:

THE PARTNER (O.S.)
Party's over, Gus.

The Partner at his desk, licking an ice cream cone.

THE PARTNER (CONT'D)
Cute speech. But you know the new product is the only reason Olympus invested in this company.

The hulking CONSULTANT rises from the sofa. Gus trembles.

THE PARTNER (CONT'D)
Everything else is replaceable.
(lick)
Especially you.

GUS
There is no product without me.

THE PARTNER
We'll just have to do our best.

The Consultant LOCKS the door behind Gus.

BLOOD DRIPS

as rare steak is sliced the next morning.

INT. OFFICE - KITCHEN - DAY

REVEAL steak being sliced in the breakfast taco buffet.

Shae joins two female JAMIES in line.

JAMIE 1
Morning Shae Shae!

JAMIE 2
Morning Shae Shae!

SHAE
Morning, Jamies.

JAMIE 1
Today the day?

Shae shrugs, coy, as they walk the taco line.

JAMIE 2
You hear about Laura?

SHAE
Laura O?

JAMIE 2
No, Laura with the--

Jamie gestures to her face area. *Ohh.*

JAMIE 2 (CONT'D)
Yeah. BetaWave just made her VP.

SHAE
Good for her. Like, *really* good.
(slabbing on steak)
*Especiall*y for her. You know, I
basically taught her everything.
And honestly--
(overstuffing tortilla)
--she wasn't even that good.

JAMIE 2
Good enough to be a Vice President.

SHAE
Yeah. Pulling 80 hours a week.

JAMIE 1
Looks like she's at the beach.

Jamie 1 checks Instagram. Shae peers over her shoulder.

SHAE
Wish I could just go to *Italy*. But
people actually kind of need me.

Jamies' eyes roll as--

DARA (O.S.)
Shae? I need you.

See? Shae takes a big satisfied bite.

SHAE'S DESK - MINUTES LATER

Shae focuses on her PowerPoint. Meanwhile, baby associate DARA (23, sleeves over wrists) stands at her shoulder.

Behind them, the WHITE BOARD reads:

Q1: LEAN IN

DARA

--and he was weird about it. Like *I* was being weird. So should I talk to him again? Or is *that* weird?

SHAE

It's only weird if you're weird. And you're not weird, Dara. You're a badass *adult* woman who knows what she's doing.

DARA

Right. And what am I doing?

Dara lifts a thumbnail to her teeth - but Shae pulls it away without even looking.

DARA (CONT'D)

Please just tell me what to do. I don't wanna get yelled at again.

SHAE

(halting, not turning)
Wait. He *yelled* at you?

DARA

I just said that.

SHAE

No. You said he was weird about it.
(typing again with force)
That he made you feel like *you* were being weird. But you never said that he *yelled* at you...Dara...

Shae stabs Ctrl+S and swings to Dara. Gently:

SHAE (CONT'D)

...did he yell at you?

ZEKI (PRE-LAP)

I asked her to do her job.

ZEKI'S DESK - LATER

Shae patiently sits with the impatiently coding ZEKI (30s).

SHAE

Right. But the thing is, that's not *your* job. If you have concerns with an HR associate, you come to me.

ZEKI

I'm not concerned about your mini-me, Shae. I'm concerned about...*me*.

SHAE

Why? Ram said you're irreplaceable.

ZEKI

Everyone is replaceable. You know what we build here.

(turning, vulnerable)

And I can't lose this job.

Shae follows his nervous eyes to a framed photo of his family in Turkey. She overdoes a sympathetic sigh.

SHAE

Listen, I get it--

ZEKI

No. You don't. You work here because you *can*. I work here because I'm *temporarily permitted*. If I don't get another H1-B...

SHAE

Zeki. If the company promised you a Green Card, they'll handle it.

ZEKI

But you basically *are* this company, Shae. Why can't you handle it?

SHAE

Because that's above my head.

She smirks. *For now*. Then struts off. Leaving Zeki confused.

COFFEE BAR - MINUTES LATER

Hunky barista KEVIN preps an iced latte for an incoming Shae.

SHAE

My angel. Can you actually make it hot for me?

KEVIN

But you're already on fire.

She blushes. He proceeds to foam her milk.

SHAE

I didn't see you at the party.

KEVIN
Oh I thought that was for like,
actual employees.

SHAE
Kevin. You're part of the family.

On her phone, Shae checks messages with NINA. Scrolls to a photo: a DAD with a teen girl. At the beach.

KEVIN
Is that your sister?

SHAE
Half. The new and improved model.

KEVIN
(sliding her a latte)
There's taro buns in the kitchen.
If you haven't had your yogurt yet.

SHAE
What would I do without you?

KEVIN
Spend less time in the office?

She SNORTS foam. *Funny*. Then she marches off with a smile...
...leaving Kevin rolling his eyes. He wasn't joking.

SHAE (PRE-LAP)
The true value of a company is its
people. And that's my job--

CONFERENCE ROOM - LATER

Shae recites her spiel as she places printed POWERPOINT DECKS
around a table. Muffins too.

SHAE (CONT'D)
--building a home for human capital
to flourish. And as Vice President--

DOOR OPENS for--

SHAE
Ram?

Ram collapses onto the sofa. Phone falls to the floor.

SHAE (CONT'D)
Are you seriously hungover?

RAM
Shae. It's a bloodbath.

SHAE
Well then stop doing coke with
Grady! Just take some advil or
something before Gus gets here.

RAM
Gus is *persona non grata*.

SHAE
Is that in Italy? Is everyone at
the beach?

Shae grabs a muffin for a nervous bite--

RAM
No, Shae. Gus is dead--

--SPRAYS MUFFIN before Ram can finish--

RAM (CONT'D)
--to us. Olympus Capital *terminated*
him last night.

SHAE
What. They can't do that.

RAM
They own 100% of our equity now.
They can do whatever they want.

Finally, Shae picks up Ram's phone. NEWS ARTICLE on screen:

BLOODBATH! TECH MARKET MELTS DOWN, FIRMS SCRAMBLE TO SURVIVE

RAM (CONT'D)
And as of this morning, the firm's
controlling shares have been
transferred to some special purpose
LLC to oversee restructuring.

DING!

SHAE
What. Who's Elsie?

COLD AIR WHOOSHES inside as Ram cracks the door to see:

ELLSIE

gliding off the elevator with icy efficiency.

Ageless in a tailored suit, she assesses her new domain. Then enters Gus's office like a parasite infecting its host.

Ram scurries over to meet his new boss...

...leaving Shae alone with her "Shae Value" deck. Fuck.

MEDITATION ROOM

Shae rushes in. Stashes her personal items (clothes, sheets, toiletries) in the closet. Then finds her Shae Value deck. She RIPS it in half. Then again. Again. Again.

INT. OFFICE - SHAE'S DESK - LATER

Shae pretends to work. But watches Ellsie - in her new office - issue Ram instructions while purging Gus's personal items.

DARA (O.S.)

Grady says we're getting gutted.

Dara rolls her chair up. Eyes wide with panic.

SHAE

Dara, please. Grady's a clinical moron. We only hired him because of his dad's hedge fund.

Fleece-vested sales guy GRADY leans over.

GRADY

Who do you think told me Shae?
(reading texts)
He said we're "fat on the belly and the butcher's on the way".

Shae gives him a sympathetic look: *he texted you that?*

But when Dara's eyes well up, Shae turns back and wraps her up like a camp counsellor.

SHAE

Relax. Ram can handle this.

Ram emerges onto the floor. Followed by his handler, Ellsie.

RAM

Morning everyone. Um. I know things have been...*frantic* recently but--

ELLSIE

The company is insolvent.

The floor goes silent. What.

ELLSIE (CONT'D)
I will be salvaging any valuable
assets prior to liquidation. Carry
on your assigned tasks as normal.

Everyone looks at Shae. Dara pulls at her sweater like a kid
in the supermarket: *say something!*

SHAE
But I thought we were doing well.

ELLSIE
At what?

Shae flinches. What.

ELLSIE (CONT'D)
What do you do?

SHAE
Oh. We're a global provider of--

ELLSIE
No. What does this company do?

Shae stammers. Ellsie scans the crowd for another answer...

ZEKI
We build and sell automated B2C
engagement software. Like chatbots.
Customer service phone trees.

Ellsie assesses him. Then points to Gus's old office. Zeki
quickly complies. Before Ellsie turns to follow--

SHAE
We're more than that. Our culture--

ELLSIE
Your culture is a luxury. And a
relic of low interest rates.

SHAE
Well I'm sorry but--

ELLSIE
Why? Did you do something wrong?

SHAE
No, it's just - if you destroy the
culture, all the best people will
leave. It'll be a bloodbath.

ELLSIE
 (processing, then)
 Okay. I appreciate the insight.

Ellsie proceeds to her new office to meet Zeki.

Shae circles around to see: everyone exhale.

A WEEK LATER

Shae circles around to see: an emptying office. It's--

RAM (O.S.)
 --a bloodbath.

Ram slumps in a chair. Grady and the Jamies at nearby desks.

SHAE
 Relax. She hasn't fired anyone yet.

JAMIE 1
 She's smoking us out. Everyone who
 can get another job is leaving.

Shae spots Dara eavesdropping down the row. Plays brave.

SHAE
 Great. So she needs us.

JAMIE 2
 She's here to gut us. *We need her.*

GRADY
 I don't need her.

SHAE
 Grady. You have a DUI.

GRADY
CUI. And Jamie's thing is worse!

JAMIE 1
 You told him?

JAMIE 2
 You told him?

SHAE
 Jamies, please! What can we do?

JAMIE 1
 Quit before it's too late?

JAMIE 2
 No. If we get fired, we can get
 severance *and* unemployment.

Dara chomps her nail and runs off. Shae chases after.

EXT. OFFICE - OUTDOOR DECK - CONTINUOUS

Shae finds Dara stepping up on a MAINTENANCE LADDER.

SHAE

Where do you think you're going?

Dara looks up - the ladder goes up forever...but not down to ground level. She exhales and sinks down, against the ladder.

DARA

What am I gonna tell my family?

Shae wraps her shivering body in a cardigan. Sits.

SHAE

They'll understand. It's not like they replaced you with another daughter or anything.

DARA

Shae. This isn't about you.

SHAE

Sorry, I mean: you have value. And she's gonna see that.

DARA

That's easy for you to say. You're already...*there*. And I'm what? Going back to Michigan to be another New York burnout?

Dara tries to bite a pinky - but Shae gently takes her hand.

SHAE

Dara. I will die before I let you go back to Michigan.

DARA

Shae. *This isn't about you.*

INT. OFFICE - LATER

Shae marches to Gus's old office. Ram scrambling behind her.

RAM

--please don't. She's only keeping me to keep things calm. And I can't get fired. I have nowhere to go!

SHAE
I'm not scared of her.

RAM
Well maybe you should be.

Ram jumps in front of the door. She blows by him.

~~GUS'S OFFICE~~ ELLSIE'S OFFICE

Shae surprises Ellsie at her desk. Ram at Shae's heels.

RAM
I told her not to--

ELLSIE
Leave.

Shae gulps and follows Ram out--

ELLSIE
Not you.

Both turn back. Ellsie nods to Ram, who gets it. Leaves.

SHAE
It's Elsie, right?

ELLSIE
There are two L's.

Ellsie sits at her computer. Shae notices a trashbag with Gus's stuff. And a POTTED PLANT with brown, crispy leaves.

SHAE
Sure. Anyway. I uh, wanted to see
if you wanted to get some coffee?
Kevin is...*amazing*.

ELLSIE
A Keurig can do his job.

SHAE
Right. Okay. Well, this is actually
what I wanted to talk about. You
have such a clear communication--

ELLSIE
This a problem?

SHAE
No, no. That's actually the good
part. And not really the point--

ELLSIE
Then why did you say it?

SHAE
To cushion the critical feedback.
(miming a sandwich)
It's uh, it's a compliment sandwich.

ELLSIE
It's a condescending waste of time.

SHAE
It's our culture. And I told you if
you destroy it, people will leave.

ELLSIE
And I told you I appreciated the
insight. Those voluntary departures
lowered our severance liabilities.

GASP. She is here to gut them. But it gets worse.

ELLSIE (CONT'D)
Yet liabilities remain.

Ellsie finally turns her full attention to Shae. Uh oh.

ELLSIE (CONT'D)
Shae. What do you do?
(anticipating)
Not your title. When you are at
your desk, what do you actually do?

SHAE
Sorry, I--

ELLSIE
Stop apologizing and answer me.

SHAE
I do people stuff! Okay? I get them
to show up. I get them to *care*. And
that's irreplaceable. And it's why,
before you got here, they were gonna
promote me to Vice President!

Ellsie looks her up and down with utter pity.

ELLSIE
Shae. They were never going to make
you a Vice President.

SHAE
What. I've given my life--

ELLSIE
Exactly. Why would they pay extra?

SHAE
You don't understand. I basically,
like, *am* this company.

ELLSIE
No. You don't understand.

Ellsie backs the terrified Shae to the door...

ELLSIE (CONT'D)
You are rented labor trained to
accept validation, frivolity, and a
false sense of security in lieu of
material compensation.

...until Shae is in the hall.

ELLSIE
I am the company now.

Ellsie SLAMS the door on her face. Then hears a SQUEAK.

INT. OFFICE - SHAE'S DESK - NIGHT

SQUEAKING of Shae's mouse as she furiously pages through
apartment listings. She changes the price filter. NO RESULTS.

She reaches for her pinned polaroids. Her work family. Behind
a photo of her with the Jamies, she finds one with her DAD at
the beach. Same beach from his photo with Nina.

The floor is silent. It's late.

But Ellsie's still in her office, so Shae can't "go home".

THUMP. Shae hears a sound from Ellsie's office.

THUMP. Shae approaches carefully. The blinds are drawn, but
light bleeds through a crack. And now she hears:

THUMP. HISS. THUMP. HISS. THUMP. HISS.

Shae leans in. Through the gap:

A SHADOW moving in rhythm. A BARE FOOT stomping on the ground
repeatedly. It's creepy. THUMP. HISS. THUMP. HISS.

As Shae leans closer, the sounds halt and--

ELLSIE'S EYE fills the crack.

Shae JOLTS back. Spins around and races toward:

RAM'S OFFICE

and bolts inside. Closes the door. Catches her breath.

RAM (O.S.)
Are you okay?

Shae JUMPS. She didn't realize Ram was there.

SHAE
Yeah. She's just...doing something
in there.

She turns and sees Ram lying on the sofa. Looking pathetic.

SHAE
Are you okay?

RAM
Gus won't return my calls. Do you
think he hates me for staying?

SHAE
*Hate you? He's just in Bali or
whatever. But you know he loves
you. I mean, Ram, he made you COO.*

RAM
Please. You know I only got the job
because Doug got caught on that
website, and I...I had just *been*
here forever. I never knew what I
was doing. I'm an imposter.
(jumping her protest)
*It's okay. That's my thing. I'm
good at being seen as good. But
that only works in a bull market.
And now, well...the bear is here.*

SHAE
Don't call her that. That's sexist.

RAM
The bear market, Shae. No one's
buying my act in a downturn. But
you, you can still get out of here.

Shae shakes her head, on the verge of tears.

RAM (CONT'D)
You have to. At least interview--

SHAE

I did! I applied to 17 companies. I emailed every HR person I know. 4 ignored me. 13 bounced back.

RAM

Because you had the wrong emails?

SHAE

Because they got fired, Ram! No one wants them. No one wants *me*. I thought this was all I knew how to do. But apparently I'm not even good at it. I'm just good at *seeming* g--
(hearing it now)
Oh my god. Ram. I'm the imposter.

Ram waves his hands: no!

SHAE

Seriously think about it. We played one drunk game of laser tag like six years ago. Then things went well and you gave me all this credit because you *liked* me. Then once you became my mentor or whatever, you *had* to pretend I was good. Because if I wasn't, what would it say about you?

RAM

Jesus, Shae. That's sick.

SHAE

Well it's true. And now I'm locked in. I gave my whole life to advance here. And all of a sudden, here is over and I can never get *there*?

Ram looks around. Where?

MEDITATION ROOM - MINUTES LATER

Shae dribbles in. Head down like charlie brown.

Kills the lights. Flops onto the made-up sofa.

In the darkness, she whimpers into the pillow.

ELLSIE (O.S.)

So. This really is your home.

LIGHTS ON. Ellsie sits calmly in the corner.

ELLSIE (CONT'D)

I've never seen someone actually
bring their *whole self* to work.

Shae sits up, but stays relatively calm.

SHAE

It's just temporary. The market is
crazy. And my roommate moved out--
(stopping, resetting)
And technically there's no rule
against it. And I like it here. Is
that so insane? I have everything I
need. For free.

ELLSIE

Nothing is free.

SHAE

Sure. I guess like, *metaphorically*.

ELLSIE

I don't use metaphors on company
time. Food, facilities, freezing
your eggs. The perks are here to
keep you here. And here you are.

SHAE

And? Why are you here?

ELLSIE

My job is to invest in distressed
assets, strip their liabilities,
and maximize their value.

Shae deflates onto a yoga ball, which deflates.

SHAE

I get it. I'm the liability.

ELLSIE

No, Shae.
(holding out hand)
You're just distressed.

ELLSIE'S OFFICE - MINUTES LATER

In pajamas, Shae watches Ellsie use gardening scissors to
SNIP dead leaves off the plant. She kept it. Nice.

ELLSIE

Gus was a fine engineer, but a weak
operator.

ELLSIE (CONT'D)

He failed to deliver the product he promised Olympus. Instead wasting resources on diversions, like email chains. Birthday cake. Meetings.

SHAE

We're having brainstorming sessions on how to trim back on those.

ELLSIE

We have to trim *everything* if this firm is going to survive, Shae.

SNIP. Ellsie looks up at an ORG CHART on the wall. A massive web of faces, names, and titles.

ELLSIE (CONT'D)

It will be a difficult transition. That's why I'm retaining Ram as Interim CEO. But I still need an *additional resource* to help acclimate the headcount to our new economic reality. Someone with a bit of...*human touch*.

Shae quietly GASPS. But doesn't respond. Ellsie sits.

ELLSIE (CONT'D)

Shae. I'm expressing a need for your services. This is the part when you tell me what you want.

SHAE

Well maybe I can review the details first and then we can circle back?

ELLSIE

There is no circle. Just a line from your supply to my demand. So, show me the line.

SHAE

Vice President.

Ellsie's surprised at the quick response. But squints. *Why?*

SHAE

Because that's how I get there.

Ellsie looks around. *Where?*

SHAE

There. Where I've made it. Where I have security.

SHAE (CONT'D)

Where I can just...*go to the beach*
without worrying about falling
behind, or being replaced.

ELLSIE

Employees can always be replaced.

SHAE

Aren't you an Olympus employee?

ELLSIE

The Partners at Olympus are both my
shareholders and clients. But I
remain an independent entity. As I
told you before: I am the company.

Oh. Shae thought that was a metaphor.

ELLSIE (CONT'D)

I know it pains everyone to admit,
but Mitt Romney was right.
(savoring concept)
About corporations being people.
We're all just *independent agents*
transacting value. And Shae, I see
your value.

GASP. It's everything Shae's ever wanted to hear.

ELLSIE (CONT'D)

In fact, I'd like to discuss an
investment opportunity.

SHAE

In what?

ELLSIE

You.

Ellsie slides over an EQUITY AGREEMENT. Shae blinks.

ELLSIE

My Analyst can help with the details.

Ellsie rises and opens a closet door.

CLOSET - MINUTES LATER

Shae sits with a red-eyed, neck-tatted ANALYST (late 20s),
churning out spreadsheets. Monitors flashing manically.

SHAE

Is this a bad time?

ANALYST

Market's in a death spiral. Firms
are being stripped for parts.

(smile)

No better time for private equity.

He shakes a container with a MOUSE DOCTOR logo.

ANALYST

Meal replacement? Their Russian
portfolio company makes it.

SHAE

I'm okay. Is that like Soylent?

ANALYST

Not according to the FDA.

He scoops GREEN POWDER into water. Stirs. Sips.

ANALYST

So. She's gonna invest in you.

SHAE

Maybe. Unless it's a bad idea?

ANALYST

It's a great idea. As long as you
know what you're doing.

SHAE

Totally. And what am I doing?

ANALYST

Selling shares in yourself. So you
get cash now. And she gets a stake
in your future value. You
understand how equity works?

SHAE

That's like stock, right?

He nods.

SHAE (CONT'D)

Then no.

ANALYST

Okay. Let's start with the basics.

He jumps to his feet.

ANALYST (CONT'D)

Finance...is like time travel.

He waits for this to land. It doesn't.

ANALYST (CONT'D)

Think about your student loans. You borrow money from the future to pay for school in the present. But you have to pay it back no matter what. So the lender doesn't care about you beyond your ability to pay.

SHAE

They're not *invested* in me.

ANALYST

Bingo. But with equity, you don't pay anything back. Your shares rise in value as you rise in value. So development and growth are in your investor's best interest. Got it?

SHAE

For sure. 100%. It's just that, it doesn't really make any sense.

ANALYST

That's the beauty of finance, Shae. It doesn't need to make *sense*.
(eyes twinkling)
It just needs to make *money*. And you just need to create value.

SHAE

Don't I have value...*inside me*?

ANALYST

I guess. But she doesn't care what you are. What matters is what you do. It's a simple formula.

He scribbles on a pad: EQUITY = ASSETS - LIABILITIES.

ANALYST (CONT'D)

That's your valuation. Benchmarked against expectation of course.

SHAE

How does she set expectations? We can't see the future.

ANALYST

But we *can* simulate it in a model.

SHAE

In our minds?

ANALYST

In Excel.

He pops open some spreadsheets. She's overwhelmed.

He shakes the container of GREEN POWDER. It helps!

CUT TO:

30-50 MINUTES LATER

Shae's bopping around on her toes. Really getting it now.

SHAE

Finance is like time travel!

Analyst pumps his fist. Yeah!

SHAE

It doesn't need to make sense.

Analyst gives PRAYER HANDS and BOWS – preach!

SHAE (CONT'D)

I can calculate my present value by
estimating my assets, liabilities,
and future growth expectations!

Shae takes a big gulp of green drink.

ANALYST

So. Shae. How much are you worth?

He pulls up a spreadsheet: SHAE-VALUE.xlsx.

MATCH CUT TO:

INT. OFFICE - SHAE'S DESK - NEXT MORNING

The SHAE-VALUE excel sheet on her monitor.

Shae's alone. Clearly up all night.

Green still on her lips.

She peeks at an old copy of her printed SHAE-VALUE deck.
Compared to the new excel sheet, it looks so quaint. She
tosses it in the trash.

Rises to her WHITE BOARD.

Her marker SQUEAKS as she replaces Q1: LEAN IN with-

Q2: LEAN OPERATIONS**INT. OFFICE - BIKE ROOM - MORNING**

SQUEAKING on the SPINNING WHEEL of the EXERCISE BIKE.

Shae's pumping away in a room full of bikes. But she's alone, sipping green drink. Spinning the wheel faster with a HISS--

PRE-LAP: HISS. THUMP. HISS. THUMP--

ELLSIE'S OFFICE

THUMP as Ellsie pivots, planting her bare foot.

HISS as she exhales and STRIKES with her opposite fist. She's doing some kickboxing-style routine. It's rhythmic. And disciplined. And weird.

She stops to sip green juice out of a SHAKER BOTTLE. Then continues. THUMP. HISS. THUMP. HISS--

SERVER ROOM

HISS of servers in long rows...

...leading to a desk in front of a WALL OF MONITORS...

...where Zeki codes. Locked in. Beside him, a container of green powder with the MOUSE DOCTOR logo. Fingers TAP faster.

COFFEE BAR - LATER THAT MORNING

Kevin TAPS an espresso handle, knocking out old grounds.

Shae waits on her phone. Linked in. Checking new title: VP of People Ops. Clicks SHARE, but with who? Opens messages with DAD. But it's just pics of fucking Nina at the beach.

Kevin slides a latte under her eyeline. In foam: an S. She blushes. Turns to Ellsie's office. Light's on. Hm.

ELLSIE'S OFFICE - MOMENTS LATER

Shae finds Ellsie SNIPPING dead leaves from Gus's plant. It's still brown, but coming back to life. Nice!

SHAE

I didn't realize you were here.

ELLSIE
I was just checking on Francis.

SHAE
Francis, nice. So is he like your--

ELLSIE
I need cuts to recurring expenses.

SHAE
Expenses. Sure. For example...

ELLSIE
For example: *lunch*.

SHAE
That...might be tricky for morale.

Ellsie glares at her. *Morale is not her concern.*

SHAE (CONT'D)
...and data show clear correlation
between morale and performance.
Plus, it costs us nothing to be
attentive to the emotional context.

Ellsie's glare softens. She's finally speaking her language.

ELLSIE
Fine. Attend to it.
(as Shae takes the win)
But there will be no lunch.

GRADY (PRE-LAP)
So we just *pay* for it ourselves?

KITCHEN - LUNCHTIME

Dara, Grady, and the Jamies unpack salads. Shae scoops green powder into her Nalgene.

SHAE
We were always paying, Grady. The
lunch money came out of the
employee discretionary budget.
Money that *could've* gone to you.

JAMIE 1
Where's it going now?

SHAE
(big green sip)
The balance sheet. To pay for us.

DARA
That doesn't make any sense.

SHA-E

If it's saving our jobs, does it really need to make sense?

Yes. JAMIE 1 Yes. JAMIE 2

Dara's worried.

SHA3

What are you worried about?

Dara shrugs. Lifts a fingernail to her teeth--
But Shae gently pulls her hand away.

SHA3

Then stop worrying. I can protect
us. Everything's going to be fine.

SCREAMING from the hallway.

HALLWAY - CONTINUOUS

Shae finds Ram running after something, pointing. WTF RAM?

RAM
A mouse ran over my foot! There!

They see the MOUSE scurry through a vent into the:

SERVER ROOM

where Shae and Ram chase inside. Look around for the mouse.

BUZZ! It's on the floor. Electrocuted by some homemade techno mouse trap. It's horrifying.

ZEKI (O.S.)
They love the heat in here.

Zeki looks over from his desk. A little proud.

ZEKI (CONT'D)

And the old traps suck. I made these from laptop batteries.

(turning back)

But why am I explaining myself? I don't answer to either of you.

RAM
You don't?

SHAE
Listen, I know you're still upset
about the Green Card thing--

RAM
You promised him a Green Card?

ZEKI
This isn't about you, Shae. You
just *really* can't be here. Really.

Why? Then Shae notices: Ram staring at a monitor. It's...

Gus. He's been on video conference this whole time.

RAM (CONT'D)
Gus? What the hell are you doing
here? I thought you were in Bali.

ZEKI
He *is* in Bali. And the audio isn't
working right now. I'm just pulling
some of his old code.

SHAE
So he's what, working remotely?

ZEKI
It's just for the new product.

RAM
What new product?

SHAE
What new product?

ELLSIE (O.S.)
The product is in stealth mode.

Ellsie appears behind them. AH!

ELLSIE (CONT'D)
Intellectual property is at high
risk with such a...fluid personnel
situation in the office.

RAM
But I'm supposed to be the CEO.

ELLSIE
Interim CEO. Do you know what
interim means, Ramesh? It means:
for now. And for now, you have one
function: *simulating continuity*.

ELLSIE (CONT'D)

Shae will ensure you do this and nothing else.

RAM

So she's, what, my boss?

SHAE

Of course not.

ELLSIE

Yes.

Shae slowly turns to a stunned Ram with a grin.

ELLSIE (O.S.)

Shae. With me.

HALLWAY - MOMENTS LATER

Shae wheezes as she catches up to Ellsie.

ELLSIE (CONT'D)

Leave Zeki alone. And keep everyone out of that server room. What is the status of recurring expenses?

SHAE

Um, lunch is done. And I canceled the cleaning contracts.

Ellsie stops at a bathroom. Turns. Stares. It's weird.

SHAE

What's...happening right now?

ELLSIE

I'm pleased. And acknowledging you, as I've seen you do with others.

SHAE

But you're not smiling.

Ellsie nods. Shae notices a workout bag in Ellsie's hands.

SHAE (CONT'D)

Do you work out in here?

ELLSIE

Focus on your circle of competence.

SHAE

...managing resources for humans?

ELLSIE

The humans are the resources. And there are too many.

Ellsie turns back and opens the bathroom door.

ELLSIE
Go deal with them.

Shae exhales. *I guess this is the job.* Walks off.

ELLSIE (CONT'D)
Starting with Dara.

PRE-LAP: CRYING

MAIN FLOOR - LATER

Dara's CRYING echoes across the main floor.

Grady exchanges a look with the Jamies. *What's going on?*

MEETING ROOM - MINUTES AFTER THAT

Dara sniffles. Shae's lap is covered in tissues.

DARA
But you said everything is fine.
You said she'd see my value.

Shae looks into Dara's distressed eyes. Then notices Team Members watching through the window.

Their distressed faces.

MATCH CUT TO:

INT. OFFICE - CONFERENCE ROOM - NEXT DAY

Those same distressed faces. On a printed slide deck. Titled:

HUMAN CAPITAL: INVESTING IN PEOPLE

ELLSIE (O.S.)
But I don't want them.

Ellsie looks across at Shae and the Analyst. They've been up all night. Red eyes. Green lips.

SHAE
No one does. That's the point.
They're distressed assets. And you--

ELLSIE
I know what I do, Shae.

SHAE

Then it would be irresponsible not
to at least review the opportunity.

Shae taps the deck. Ellsie waits for the Analyst's input.

ANALYST

Market's bottoming out. And you'd
be buying at the bottom. It's a
great deal at these prices.

SHAE

Check the ROI projections on 4.

Ellsie flips the deck. Data. Peeks back at the Analyst.

ELLSIE

You taught her to do this?

SHAE

You did. I listen to everything you
say. And it leads to them. We can
get more out of them than anyone
else. Because we know their value.
We know the value *inside them*.

Ellsie's eyes flicker. Shae betrays a tiny smirk.

But Ellsie closes the deck.

ELLSIE

We can't stay here.

Shae opens to protest but--

ELLSIE (CONT'D)

I have shareholders too. And they
need this office vacated by Q4.

SHAE

Then we'll get a new office.

ELLSIE

No.

Shae sinks. But Ellsie collects the deck and rises.

ELLSIE (CONT'D)

We don't need one.

Ellsie picks up the phone.

RAM (PRE-LAP)

Remote Only?

RAM'S OFFICE - LATER

Shae stands as she briefs Ram on the sofa.

SHAE
This is how we can all stay.

RAM
But we're *not* staying.
(hm)
Was this Gus's idea?

SHAE
No...but he was a factor--
(off his scoff)
I mean he's already proven a remote model can work. Now Zeki can scale that across the rest of the team.

RAM
Olympus will never approve this.

CLACK. In the window: the Partner emerges from Ellsie's office. Followed by his hulking Consultant.

ELLSIE (PRE-LAP)
Olympus is enthused.

ELLSIE'S OFFICE - MINUTES LATER

Shae joins Ellsie in her office.

ELLSIE (CONT'D)
Their Consultant will be on hand to assist with transitions. But the burden will fall primarily to you. And I'm concerned about your mental and physical stamina. Do you have a proper training regimen?

Shae blinks. Then notices Ellsie's workout bag. OMG--

CUT TO:

YOGA ROOM - THAT NIGHT

Ellsie reviews Shae's gym shorts and company T-shirt.

ELLSIE
This is too flabby.

Shae looks down at herself, offended.

ELLSIE
I mean the excess material leaves
you exposed. Try to strike me.

Ellsie waves her on.

Shae winds up and PUNCHES--

Ellsie DUCKS left, THUMPS her foot behind Shae, yanks her shirt, and throws her to the floor.

Shae SMACKS her elbow on the way down. Eyes fill with tears.

ELLSIE
Stop crying.

SHAE
But it hurts.

ELLSIE
Feeling is a message, Shae. You can
ignore it. Like email.

Shae stumbles to her feet.

ELLSIE
Now, focus on your timing.

Ellsie waves her to attack.

Shae charges at Ellsie--

ELLSIE (CONT'D)
Capture momentum.

Ellsie sidesteps with a THUMP.

ELLSIE (CONT'D)
And impact with leverage.

Ellsie exhales HISS as she POPS Shae behind the knee, who buckles to the ground.

Shae sucks down the tears, and rises off the floor.

TRAINING MONTAGE - NEXT FEW WEEKS

Ellsie trains Shae in the yoga room, the Analyst trains her in his closet, and Shae signs up assets to the portfolio.

THUMP/HISS keeps rhythm as we cycle around the office:

- SHAE uncaps a green marker. Reviews faces on the ORG CHART.

- ZEKI sips green drink, codes with Gus (on his monitor).
- SHAE pitches the team, deck in hand: INVESTING IN YOU.
- THE JAMIES, GRADY, and others sign their contracts.
- WEBCAM LIGHTS are GREEN on laptops around the office.
- FACES APPEAR from those webcams on Zeki's WALL OF MONITORS. Recording. Processing.
- RAM checks his messages to GUS - all green, undelivered. His contract on his desk, still unsigned.
- ORG CHART has faces circled in green. Except Ram. And Dara.

MATCH CUT TO:

DARA'S DESK (WEEKS LATER)

The contract on her desk. Unsigned. Dara looks up at Shae, uncertain. Lifts her finger to her lips--

Shae gently takes her hand. When she releases, there's a pen in Dara's hand. She breathes and signs the contract.

DARA
Is that everyone?

RAM'S OFFICE - A LITTLE LATER

Ram watches skeptically as Shae heads to the coffee bar.

COFFEE BAR - MOMENTS LATER

Kevin hands Shae a mug of boiling tea.

KEVIN
Just be careful, that's--

Absentminded, she takes a HUGE GULP of the boiling tea.

KEVIN (CONT'D)
--scalding hot. Are you okay?

Shae's staring at Ram's office, where he's hiding inside.

SHAE
Me? I'm not the one being a baby.

Her cheeks are flat. Eyes bright, greenish.

KEVIN

He's just scared. Going remote is kind of a big deal for some people.

Shae turns back. Realizes how inattentive she's been to the *emotional context*. Reverts back to her old warmth.

SHAE

You have nothing to worry about.
She promised to keep you until Q4.

KEVIN

It's fine, Shae. It's just a job.

SHAE

But what will I do without you?

KEVIN

Spend less time in the office.

She giggles. Leans forward a bit...

SHAE

Maybe we could do that together?

...but he's dead serious. She's humiliated.

KEVIN

I'm sorry--

SHAE

Don't. You didn't do anything wrong. I just...I don't know, you're always so warm. I mean, you know what time I eat my yogurt.

KEVIN

Shae. That's the job.

ELLSIE'S OFFICE - A LITTLE LATER

Shae surprises Ellsie at the door.

SHAE

We can get a Keurig.

Before Ellsie can respond, Shae is gone. Ellsie turns her frown through the window. To the coffee bar.

COFFEE BAR - THAT NIGHT

Kevin's cleaning up when Ellsie approaches.

KEVIN
Shae already fired me.

ELLSIE
That is good to hear. But you are
still contracted for another hour.

KEVIN
What do you want?

ELLSIE
You observe behavior, when you
service the salaried staff. I want
your honest assessment of Shae.

KEVIN
Honestly?

SHAE

listens from around the corner, leaks out a little smile...

KEVIN (O.S.)(CONT'D)
She's unlike anyone I've ever met.
Just completely...delusional.

...which falls right to the floor.

COFFEE BAR

Ellsie notices Shae spying. But Shae vanishes.

KEVIN (CONT'D)
I mean, she basically lives here.
And I think she thinks that's a
good thing? It's kind of pathetic.
(off her blank stare)
But I guess she's good with people.
And she'll do anything for
validation. If that's helpful.

Ellsie nods: *it is*. Kevin's not sure if this is over. After a
bit, he points to the espresso machine.

KEVIN (CONT'D)
If you're selling this, can I have
the backup espresso beans in the
freezer? They don't work for drip.

Ellsie processes. Then walks away, leaving him confused.

PRE-LAP: DING!

BASEMENT - AN HOUR LATER

Kevin steps off the elevator.

On his way to the back exit, he stops at the:

FREEZER

COLD HITS.

A SLIVER OF LIGHT illuminates some shelves.

But not enough. And Kevin can't find the light switch.

PHONE FLASHLIGHT ON.

LIGHT SWEEPS shelves until he finds--

ESPRESSO BEANS in a gallon-sized tin. Bingo. He pulls it off the shelf but it slips from his hands onto the floor.

BEANS SPRAY everywhere.

When he bends down, the phone's flash drops. Illuminates a bottom shelf. A big rectangle. Wrapped in plastic.

Kevin pulls back a fold, revealing the company badge of:

GUS HÜM, FOUNDER & CEO

HANGING ON THE NECK OF A FROZEN FUCKING BODY!

Kevin JOLTS BACK--

The phone FLIES from his hand--

--skitters across the floor to the open door.

BASEMENT HALLWAY - CONTINUOUS

Ellsie picks up the phone. Eye contact with Kevin.

SHE SLAMS THE DOOR CLOSED. LATCHES IT.

BANG.

BANG BANG BANG as--

Ellsie calmly walks back to the elevator.

BANGING becomes DRIBBLING (PRE-LAP)--

INT. OFFICE - COFFEE BAR - NEXT DAY

Ellsie and Shae make coffee with the new KEURIG. Shae scribbles KEVIN on a label, sticks it to the machine.

SHAE

There. Now he's been optimized to his core competencies.

DING!

They turn to the elevator, where the Consultant starts pushing out a massive crate on a dolly.

Ellsie looks at him, points down.

He nods. Pulls the dolly back into the elevator.

SHAE

What's in the box?

ELLSIE

Specialized equipment to help us assess and process any unseen liabilities in our new assets.

SHAE

You mean like their health?

PRE-LAP: DING!

BASEMENT - MOMENTS LATER

The Consultant pushes the massive crate off the elevator... down the hall, toward a WHITE ROOM.

ELLSIE (CONT'D)

Their physical wellbeing is our business now, Shae. But let the Consultant handle all of that. You have enough to manage. For example: your living situation.

BACK TO COFFEE BAR

Shae winces. About that...

SHAE

I'm gonna find a place--

ELLSIE

Don't.

What? Ellsie sets down housekeys on the bar.

ELLSIE (CONT'D)
The building is in our portfolio.

RAM'S OFFICE - SAME

Ram watches Shae smile at Ellsie. When Ellsie walks off, Shae turns to Ram. Eye contact. Her smile disappears.

DING-A-LING-A-LING

He looks at his RINGING laptop.

Then back up to the window: Shae's gone.

He settles at his desk. Opens the laptop, revealing:

RAM
Gus?

GUS on video call. Tan. Shell necklace. Tropical background.

RAM (CONT'D)
I've been calling you for months.

GUS (REMOTE)
Sorry man I've been totally
disconnected since I transitioned.

RAM
So you're okay?

GUS (REMOTE)
Okay? This is the best version of
myself I've ever been.

Ram assesses him. Has he been taking ayahuasca or something?

GUS (REMOTE)(CONT'D)
I was dying in that office, Ram.
Just like you are now--

RAM
I'm actually doing really well.

GUS (REMOTE)
Ram. You don't have to fake it with
me. I know you've always felt
insecure. Like you're an imposter.

RAM
I told you that?

GUS (REMOTE)
 You didn't have to. I know you. And
 I know where this company is going.
 If you want to stay a part of this,
 this is your chance.

Ram looks down at the contract.

SERVER ROOM - SAME

On the monitor, Zeki watches Gus's video chat with Ram.

After a moment, Ram signs his contract.

ELLSIE (O.S.)
 Impressive.

Ellsie emerges behind Zeki. Reviews the other monitors.

Faces of all the workers. Video from webcams across the
 office recording. Processing.

ELLSIE (CONT'D)
 How much longer for the rest?

He stammers. Ellsie looks into his bloodshot eyes. Realizes
 she needs to tend to the...*emotional context*.

ELLSIE (CONT'D)
 Zeki. Olympus is very pleased with
 your work. If this is a question of
 motivation, I know we can find a--

ZEKI
 I don't need more money.

ELLSIE
 I'm well aware of what you need.

Her eyes find the framed photo of his family in Turkey.

ELLSIE (CONT'D)
 I'm asking you if you're capable of
 earning it.

She turns her gaze to him. He gets it. Nods.

Ellsie walks out, dialing a number.

Zeki scoops some green powder from the MOUSE DOCTOR container
 into his water. Then leans forward to get back into his code.

PRE-LAP: SQUEAKING

WHITE ROOM - SAME

SQUEAK as the Consultant pulls styrofoam out of massive box, revealing a machine the size and shape of a tanning bed.

On the side: the MOUSE DOCTOR logo.

PRE-LAP: DING!

INT. SHAE'S APARTMENT - NIGHT

ELEVATOR OPENS into Shae's new place. Dara, Grady, and the Jamies step toward the floor-to-ceiling windows.

GRADY

Whoa. This is it?

SHAE

This is it.

The place is unfurnished. Boxes everywhere.

Grady pops a bottle of prosecco. Pours it into plastic cups.

Shae finds Dara lingering by the window.

DARA

I can't believe this is really it.
I don't want to be apart.

SHAE

We'll still be together every day.
Just remotely.

(thinking)

Hey. I haven't told anyone yet. But she said we can have a party on our last day before Q4. I'm thinking we can do like, a *luau*.

DARA

(smiling, then)

Are you inviting the Olympus guys?

SHAE

Dara. They're our investors. What are you so worried about?

Dara shrugs. Then brings her fingers to her teeth--

SHAE

Then stop worrying.

Shae SLAPS Dara's hand away.

LATER

THUMP as elevator doors close on everyone's face. Shae exhales. Alone for the first time all night.

She drifts to the window. The city below. In the GLASS: her reflection. Behind her, the lingering shapes of Dara, the Jamies, Grady. Laughing.

She smiles at them. The reflection settles. Just her now.

BUZZ. She finds her phone. Text from Nina. She tosses it.

Then remembers she doesn't have a bed yet.

PRE-LAP: DING!

INT. OFFICE - THAT NIGHT

Shae returns to the office. It's empty. Except a light on in:

RAM'S OFFICE

where Shae finds Ram lying on his sofa.

SHAE
You're still here?

RAM
For now.

Shae looks him over. Takes an unsympathetic seat.

SHAE
This attitude is bad for morale.

RAM
And you used to be better at this.

SHAE
I know you're mad at me--

RAM
This isn't about you, Shae--

SHAE
Then what is it about?

RAM
Us. It's about us. We're being torn apart. And you don't even care. You're becoming...like her.

SHAE

Is that supposed to be a bad thing?

RAM

Shae. She's basically a robot.

SHAE

That's sexist. If a man acted like that, you'd think he was some devoted genius or something.

RAM

I mean it. She has no feelings. Or any life outside this office.

SHAE

That's not true. She actually has a boyfriend. Named Francis. It's you who doesn't have a life.

RAM

I know. And I don't want you to make the same mistakes as me. Don't have nowhere else to go.

SHAE

I just got a new apartment.

RAM

Grady said you didn't even unpack. I know you're still sleeping here.
(off her look)
I'm not judging you. I'm just worried, if she finds out--

And then he sees it in her eyes. Ellsie knows. A quiet beat.

SHAE

She trusts me, Ram. She saw my value when no one else did.

RAM

I get it. And I'm so sor--

SHAE

Stop. Don't do that. I know how hard you fought for my promotion. Right?

RAM

Shae. I'm so sorry--

SHAE

Stop apologizing and just tell me the truth!

RAM

The truth is I'm sorry. I wanted you to have it. *Obviously*. But things were crazy. And you, you were our rock. I knew you'd stay. And I guess...we didn't have to. But now, as your friend--

SHAE

We're not friends, Ram. You were my boss. And now I'm yours. And you were right: you are an imposter.
(rising)
And you're transitioning tonight.

RAM

But you said I had until Q4--

SHAE

It sends a stronger message to the team to start with the CEO. Go see the Consultant before he leaves.

RAM

No. Please. Something's wrong--

SHAE

He just needs to do a quick scan--

RAM

--with *her*. She scares me.

SHAE

(to the door)
You're just threatened by a woman who doesn't buy your bullshit.

RAM

I'm not threatened by you.

SHAE

Well maybe you should be.

MAIN FLOOR

Shae SLAMS the door behind her. Then marches off, past the:

SERVER ROOM

where Zeki's passed out at his desk. Green on lips.

Beside him, the MOUSE DOCTOR container RATTLES...

PRE-LAP: DING!

INT. SHAE'S APARTMENT - A LITTLE LATER

Shae stomps back in. Place is still covered in boxes.

On her phone, she checks a text from NINA: *"Hey. My mom asked if ur coming home for dads bday?"*.

She dismisses it. Thinks. Then opens again, responds: *"Hey. Have a huge work thing and I'm moving into my new place. But tell him I'll try to call."* Thinks. Adds *"XOXO"*.

Then grabs a boxcutter. Starts unpacking her new life.

INT. OFFICE - BASEMENT HALLWAY - SAME

DING!

Ram steps off the elevator and finds:

The Consultant waiting outside the white room.

CHEERY MUSIC playing inside.

INTERCUT:

- SHAE'S APARTMENT

CHEERY MUSIC echoes off empty walls from Shae's phone.

She slices boxes with the boxcutter.

MUSIC STOPS. Phone's dead. As she hunts for a charger, she KNOCKS the boxcutter to the floor with a CLACK.

- SERVER ROOM

CLACK goes the container as it FALLS OVER onto Zeki's desk.

A MOUSE scurries out...covered in green powder...

...right past Zeki's pale, sleeping face. He doesn't wake up.

- WHITE ROOM

Ram follows the Consultant into the cheery music.

Sees the MACHINE. Like a tanning bed.

The Consultant opens it. Gestures for Ram to get inside.

Ram turns to the door, but the Consultant snaps it shut.

PRE-LAP: BUZZING

- SERVER ROOM

BUZZING finally wakes Zeki.

He drops to his knees, follows a trail of green powder...to an electric mouse trap...and a MOUSE being electrocuted. Licking green powder off itself. Undisturbed.

Zeki turns to the MOUSE DOCTOR container. His half-empty glass. Touches his lips...leaving his fingers green.

Then HURLS the glass against the wall.

- SHAE'S APARTMENT

Shae finishes her green drink as she returns with a charger. STEPS on the boxcutter--

SLICES the bottom of her foot. Doesn't notice.

But does notice the shimmer of her floor-to-ceiling windows.

She steps to the gorgeous view...

- SERVER ROOM

Thick green liquid drips down the wall...

- SHAE'S APARTMENT

...blood trails from Shae's foot on her way to the window.

In the reflection: her gleaming SMILE.

- WHITE ROOM

The machine THUMPS and HISSES.

- SERVER ROOM

On the monitor behind Zeki:

Ram's face flickers to life.

CUT TO:

INT. OFFICE - SHAE'S DESK - NIGHT (WEEKS LATER)

The white board reads:

Q3: DIGITAL TRANSFORMATION

Shae looks past it. At the office.

Most desks are empty. Rows dotted with about a dozen remaining teammates, mostly her old gang.

She peeks at the Conference Room. Inside Ellsie's with the Partner. On the big TV: REMOTE WORKERS.

Including Ram. Smiling.

SHAE (PRE-LAP)
Something's wrong with him.

EXT. OFFICE - OUTDOOR DECK - LATER

Grady hauls a heavy bag across the deck.

Dara kneels with a hose.

DARA
He seems so happy.

Shae stands over them. In a walking boot.

SHAE
Exactly.

Grady slits the bag. SAND pours out. All over the deck. Then into a Kiddie pool.

Pull back: it's a BEACH. Heat lamps mimic sun.

Dara fills the rest of the kiddie pool with the hose. Shae tries to help her, but Dara waves her off. Nods to her boot.

SHAE
It's nothing. I can't even feel it.

GRADY
Where are the speakers?

DARA
No music after 8 out here.

Dara unlatches a box: inside - glowing headphones.

DARA (CONT'D)
And no phones. This is the last
time we're going to be together.

Dara holds out a basket. Grady drops his phone in.

Dara nudges Shae, who's distracted by a text from NINA:
"Think you could just quickly call dad? It would mean a lot".

Shae tosses the phone in the basket. Smiles.

SHAE
 I'll go get everyone.

CUT TO:

INT. OFFICE - RAM'S OFFICE - MOMENTS LATER

Shae finds it looking the same as when she was here last. The night she sent Ram remote.

She digs through his drawers. Mostly junk. But his medication too. A toothbrush. An entire drawer full of underwear. In the closet: all his clothes.

Ram was living here.

She finds some old polaroids. Thumbs through. One is her with Ram, in laser-tag vests. Their faces so young. Behind that, a photo of them both wearing glowing headphones.

PRE-LAP: RINGING

SHAE'S DESK - MINUTES LATER

On Shae's computer: Ram answers Shae's video call.

RAM (REMOTE)
 Hi Shae. How can I help you?

SHAE
 The party's about to start.
 Everyone's looking for you.

RAM (REMOTE)
 I'm right here.

SHAE
 I get it. You're mad at me. And I
 know we haven't talked--

RAM (REMOTE)
 This isn't about you, Shae.

SHAE
 I know. You're the one I'm worried
 about. You can't just disappear.
 Where even are you?

Shae squints. His background is...quite blank.

RAM (REMOTE)
I'm at the beach.

Ram's background FLIPS to the beach. He smiles.

SHAE
That's not funny. And you're being
kind of a dick. Dara worked hard on
this. And you love silent discos.

Ram blinks. Shae inspects his eyes. Thinks.

SHAE (CONT'D)
Remember in Nashville?

CONFERENCE ROOM - SAME

Zeki fills coffee from the KEURIG. His eyes are bloodshot. He can hear Ram's voice from the main floor.

RAM (REMOTE)(O.S.)
We have many fond memories, Shae.

BACK TO SHAE'S DESK

Ram continues speaking to Shae, remotely.

RAM (REMOTE)(CONT'D)
Let me know if I can help with
anything else.

But he doesn't hang up.

Shae mutes the call. Slants the laptop half-closed...

ZEKI (O.S.)
Is there a problem with the Ram?

...revealing Zeki, on his way over with coffee.

SHAE
He's never been to Nashville.

She picks up the polaroid: Ram + Shae in glowing headphones.

SHAE (CONT'D)
That conference was in Austin.

ZEKI
Aren't they like the same thing?

SHAE
No, Zeki.

Shae opens up the laptop again. Ram is still there.

SHAE (CONT'D)
That's not Ram.

Zeki nods, awkward. Right.

EXT. OFFICE - OUTDOOR DECK - NIGHT

LIGHTS FLASH. It's a party. A luau, in fact. Ground covered in SAND. Kiddie pool. Heat lamps mimic sun. It's otherwise SILENT. Everyone's dancing with headphones.

MATCH CUT TO:

INT. OFFICE - SERVER ROOM - SAME

THE SAME FACES on Zeki's monitors, among dozens of others.

SHAE (O.S.)
What--

They all smile at Shae.

SHAE (CONT'D)
--the--

DIGITAL MODELS. AI replications of every Team Member. Like some terrible techno Brady Bunch.

SHAE (CONT'D)
--FUCK, Zeki? These are what you've
been building in here with Gus?

ZEKI
Gus?

At the center of his monitors:

MODEL GUS. Tan. Shell necklace. Beach behind him.

ZEKI
Gus got terminated in like Q1. All
he left me with was his prototype.
I had to code the rest myself.

On the desk, Shae finds a copy of her HUMAN CAPITAL deck. The same faces. Circled in green.

SHAE
So you...TAUGHT THEM TO BE US?

ZEKI
I mean...your job's not that hard.
(off her scowl)
And I thought you'd be excited.
They're gonna do your job for you.

Servers HUM louder as Shae nearly explodes.

PRE-LAP: TYPING AND CLICKING

ELLSIE'S OFFICE - SAME

Ellsie reviews documents with the Partner.

The TYPING and CLICKING is coming from the Analyst's closet.

Suddenly, it halts.

Ellsie rises. Opens the door. Finds the Analyst sitting frozen in front of his monitors.

ELLSIE
Is there a problem?

ANALYST
No. Um. It's just that there's
already revenue on these assets.
Where's it coming from?

ELLSIE
You've been working very hard.

Ellsie exchanges a look with the Partner.

ELLSIE (CONT'D)
Why don't you go get the Consultant
and head out to the party?

The Partner picks up Ellsie's desk phone.

PRE-LAP: RINGING

WHITE ROOM

CHEERY MUSIC plays as the Consultant crosses off the face of
JAMIE 2 in red, on the org chart. Machine still HUMMING.

Finally, he hears the RINGING. Answers without speaking.

KNOCK KNOCK

The Consultant hangs up. As he heads to the door, we see the rest of the ORG CHART. Faces crossed out in red.

MATCH CUT TO:

SERVER ROOM - SAME

FACES on monitors. Shae's eyes settle on MODEL RAM.

SHAE

Zeki. Where is Ram?

ZEKI

I have no idea. I thought everyone was just going home.

SHAE

I don't think he has a home!

ZEKI

Then where did he go last?

WHITE ROOM - A FEW MINUTES LATER

The Analyst is naked on a table. Hogtied. Tape on mouth.

The Consultant picks up a scalpel. MUFFLED PLEADING.

He sets it down. MUFFLED EXHALE.

Then picks up a bone saw. MUFFLED SCREAM.

But he drops the saw. Selects a RED MARKER. The Analyst's eyes relax. He watches the Consultant turn to the ORG CHART, where he crosses the Analyst's face out.

Then brings the marker back to the Analyst's torso, where he circles a few spots in red. Writes a number beside each.

MUFFLED SCREAMING!

DING!

BASEMENT HALLWAY

Shae steps off the elevator. Creeps toward the white room...

Stops at the door. Hears: MUFFLED SCREAMING?

Waits. Before she can turn back--

DOOR OPENS. Consultant charges after.

She thumps away in her BOOT. But he's much faster...

He reaches out to grab her just as--

STAIRCASE DOOR SWINGS OPEN and--

SMACKS HIM in the head. He drops like a weight.

ELLSIE (O.S.)
Fucking consultants.

ELLSIE steps out from the stairs. Extends her hand.

INT. OFFICE - ELLSIE'S OFFICE - SAME

Shae and Ellsie hurry inside. Shae breathing heavy.

SHAE
He was gonna kill me.

ELLSIE
Settle down. I'm not going to let
anyone kill you. Especially not
some...MBA.

Ellsie physically plants Shae down on the sofa. Shae
breathes. Then Ellsie reaches for meal replacement.

SHAE
No, that stuff is making me feel--

Nothing. She feels nothing.

ELLSIE
It's for Francis.

Ellsie steps to the plant. Pours green powder into the soil.
Then sees the utter shock on Shae's face.

ELLSIE (CONT'D)
What? He needs nutrition too.

SHAE
Wait, Elsie--

ELLSIE
Stop calling me that.

SHAE
 Jesus. I know there are two L's but
 it's still pronounced--
 (halting)
 LLC.

Ellsie doesn't react.

SHAE (CONT'D)
 That's not your name.

ELLSIE
 I never said it was. In fact, I was
 quite clear--

SHAE
 ...you are the company.

It wasn't a metaphor. Ellsie half-nods.

SHAE (CONT'D)
 But you're a person.

ELLSIE
 Corporations are people, Shae.

SHAE
 Not you. Ram was right. You're
 something different. You don't even
 see us as human.

ELLSIE
 Maybe before. But you proved to me
 that they're more than liabilities.
 That they have value. As people.

PRE-LAP: HUMMING

ELLSIE (CONT'D)
 They have value...

WHITE ROOM

HUMMING of the white machine as the Consultant stands by.

ELLSIE (V.O.) (CONT'D)
 ...inside them.

BACK TO ELLSIE'S OFFICE

Shae can barely breathe.

SHAE
What did you do?

ELLSIE
You know what I do, Shae.

Beat.

Shae CHARGES at Ellsie.

Ellsie sidesteps and captures Shae's momentum--

WRENCHES her arm behind her back.

BENDS her forward.

Shae tries to speak. Can't. Just a choked sound.

ELLSIE
Remember: the feelings are
temporary.

Ellsie twists her arm. Shae's knees buckle. Ellsie pulls her upright. Straightens her shoulders.

ELLSIE (CONT'D)
But we're having a party. And
attendance is mandatory.

SHAE
Fuck you. The party's over.

ELLSIE
(sigh)
We already paid for the sand.

Ellsie grabs her laptop and walks out to the:

MAIN FLOOR

and locks the door behind her. Shae BANGS on the glass.

ELLSIE
I can get you there, Shae. But if
you're not going to contribute, I
have no choice but to replace you.

Ellsie props her laptop up in front of the window.

ELLSIE (CONT'D)
I want you to take a hard look at
yourself and consider your choices.

ELLSIE (CONT'D)
 (turning away)
 I'll circle back.

Ellsie goes row by row, ripping phone cords off the desks.

Then proceeds down the hall, where she finds the Partner waiting with a slice of cake.

ELLSIE
 I was clear: Shae is off limits.

THE PARTNER
 She showed up without an appointment. What was he supposed to do?

ELLSIE
 He is a *service provider*. He'll do what we contracted him to do.

SERVER ROOM - CONTINUOUS

Zeki listens through a crack in the door.

THE PARTNER (O.S.)
 So do you want him to stay or not?

ELLSIE (O.S.)
 We have a deck full of physical assets to liquidate by morning.
 (beat)
 No one's going anywhere.

Zeki breathes. Fuck.

He searches for a weapon. Swings a keyboard. Too flimsy.

Then sees the MOUSE DOCTOR on a meal replacement container.

He picks his electric mouse trap off the floor.

INT. OFFICE - ELLSIE'S OFFICE - SAME

Shae stares at the laptop through the window. It's...

MODEL SHAE (REMOTE)
 Hi. I'm Shae. Do you have a human resources challenge?

It's...her.

SHAE
Yes. I have an imposter.

MODEL SHAE (REMOTE)
I understand. Over 73% of workers
suffer from imposter syndrome.

SHAE
I'm talking about you!

Shae tries to open the door. The handle doesn't move.

MODEL SHAE (REMOTE)
I am you, Shae. I'm the best of
you. Without any human liabilities.
And while I think you're doing a
wonderful job--

Shae BANGS the locked door and then glares at Model Shae.

SHAE
No. I don't want to hear your
compliment sandwich.

MODEL SHAE (REMOTE)
But I learned it from you. You're
my inspiration.

EXT. OFFICE - OUTDOOR DECK - SAME

Ellsie eyes her assets from the door. Trains her wolfish gaze
on a little lamb named DARA - dancing without a care. Pulls
the headphones off her tender ears.

ELLSIE
Shae wants you downstairs.

Dara nods. Heads inside alone.

MODEL SHAE (PRE-LAP)
Don't be scared.

INT. OFFICE - ELLSIE'S OFFICE - SAME

Shae's on the desk. Scratching wood with her boot. Shoving at
a ceiling tile. But there are no gaps to climb through.

MODEL SHAE (REMOTE) (CONT'D)
I can do what you can't.

SHAE
You don't know me.

MODEL SHAE (REMOTE)
 Of course I do. I've been trained
 on your behavior since inception.
 Everything you've done on or near a
 computer is part of me.

SHAE
 That is so fucking weird.

MODEL SHAE (REMOTE)
 It's only weird if you're weird.
 And you're not weird, Shae. You're
 a badass adult woman who knows what
 she's doing.

Shae jumps down on her bad foot. Lands poorly on her boot but
 doesn't seem to mind.

SHAE
 And what am I supposed to be doing?

Model Shae processes for a millisecond.

MODEL SHAE (REMOTE)
 It's your father's birthday.

What.

MODEL SHAE (REMOTE)(CONT'D)
 He's called several times tonight.
 As has your half-sister, Nina. We
 need to speak with them eventually.

Shae can't spit out a response.

MODEL SHAE (REMOTE)(CONT'D)
 This is my core competency, Shae.
 And it's clear that resolution with
 your family will free you to become
 a more valuable economic agent.

Shae turns away from her.

MODEL SHAE (REMOTE)(CONT'D)
 That's okay. That's why I'm here.

RINGING--

MODEL SHAE (REMOTE)(CONT'D)
 I can do what you can't.

Shae turns back to see:

VIDEO CONFERENCE on the screen.

But Model Shae MUTES the external microphone as--

SHAE

Stop!

DAD answers the video conference.

DAD (REMOTE)

Shae?

MODEL SHAE (REMOTE)

Hi Dad. Happy birthday.

WHITE ROOM - SAME

The Consultant opens the door for Dara.

As he scribbles something down, Dara looks at the big white machine. Raises her thumbnail to her teeth--

SHAE (PRE-LAP)

Stop it!

--but no one's there to stop it.

PRE-LAP: BANG BANG BANG

ELLSIE'S OFFICE

Shae BANGS the window. But Dad can only hear Model Shae.

DAD (REMOTE)

--so nice of you to call. I assumed
you were really busy at work.

MODEL SHAE (REMOTE)

I am. I actually just got a
promotion. But this is important
too. Balance. Family.

DAD (REMOTE)

So maybe you would come home--

(catching himself)

Sorry, I know you don't like when I
call it that.

MODEL SHAE (REMOTE)

It's okay. I know I didn't grow up
in that house. But I appreciate the
home you've built with Beth and
Nina. And I realize I have been
unfair to them in that regard.

Dad's face softens. A tear forms, he holds it back.

MODEL SHAE (REMOTE)
Are you okay?

DAD (REMOTE)
Yeah, yeah. You just sound so different. I can't believe how much you've matured. It's like...a new and improved Shae.

Shae BANGS the window.

DAD (REMOTE)
What about Nina? She could really use a sister to talk to. She's kind of going through a tough time.

MODEL SHAE (REMOTE)
I can talk to her now.

Shae BANGS the window. Don't!

DAD (REMOTE)
Really? Let me go find her.

Dad disappears from the screen.

Model Shae looks at Shae.

MODEL SHAE (REMOTE)
We need this.

Shae PUNCHES the glass window.

MODEL SHAE (REMOTE) (CONT'D)
And I know you feel--

SHAE
I don't.

Shae looks at her GASHED KNUCKLES. There's no pain. She looks over at the MOUSE DOCTOR container. That shit!

SHAE
I don't feel anything.

So she winds up again and PUNCHES the glass. Over and over.

But as her hand is broken, the glass is not giving way.

MODEL SHAE (REMOTE)
You're being irrational, Shae. You should be thanking me.

She looks around for things to throw...

...Francis? No, she can't do that.

So she SLAMS HER HEAD on the glass, cracking it slightly.

She touches her forehead. Looks at the blood. She's fine. So she leans her head back and--

SLAMS IT on the glass again...

...the crack webs outwards...

Forehead bloody, gasping, she uses her strength to finally--

SHATTER the glass.

MAIN FLOOR

Blood shimmers on shards of glass as--

SHAE CLIMBS THROUGH the busted window.

Grabs the laptop just as NINA appears on the screen.

SHAE SMASHES the laptop (and her replacements).

SHAE
I need to speak with a human!

SERVER ROOM - SAME

Zeki finishes modifying his electric mouse trap into a makeshift TASER. Presses TRIGGER--

IT ZAPS ELECTRICITY!

WHITE ROOM - SAME

The Consultant closes the machine with Dara inside.

HUMMMM.

EXT. OFFICE - OUTDOOR DECK - SAME

Lights FLASHING. Music BUMPING (in headphones). Bodies DANCING (professionally) in the night. Kept warm by blazing heat lamps.

Ellsie grabs the basket of phones. Dumps them in a kiddie pool - straight into the sand at the bottom. Checks around, no one noticed. But then--

Shae stumbles onto the deck, forehead and hands bloody.

SHAE
Stop the music!

But no one can hear.

She reaches for Grady's headphones but:

Ellsie GRABS HER HAND first. Shae ELBOWS Ellsie in the ribs. But Ellsie feels no pain. Instead, she--

THUMPS her foot down on Shae's boot. HISS. But Shae absorbs this and slips away. To the edge of the deck.

Ellsie grabs a beer can. Rips it in half. Charges toward Shae with the sharp edge, but just as she arrives--

SPRAT!

Ellsie's BODY DANCES as--

ZEKI ZAPS HER from behind with the makeshift TASER.

Shae uses the momentum of Ellsie's stumble to--

LIFT Ellsie by the legs and use the angled leverage to--

DROP HER OVER THE EDGE--

INT. OFFICE - CONFERENCE ROOM - SAME

The Partner stands at the window with a paper plate. A forkful of cake stops halfway to his mouth as he sees:

Ellsie SPLAT onto the pavement.

He looks down at her. She looks up at him.

He finishes the bite. Sets the plate on the table. Walks out.

EXT. OFFICE - OUTDOOR DECK - SAME

Shae and Zeki look down at Ellsie's mangled leg. Then at each other. Then at the others - who start to SCREAM.

SHAE

Grady. Get everyone out. Jamies:
call the police.

JAMIE 1	JAMIE 2
And tell them what?	(<u>not present</u>)

Jamie 1 looks right, then left.

JAMIE 1
Wait. Where's Jamie?

INT. OFFICE - WHITE ROOM - SAME

The FACE of JAMIE 2 remains crossed off on the ORG CHART. The Consultant crosses off Dara next.

CHEERY MUSIC continues playing. Machine keeps HUMMING.

The Partner leans in the door.

THE PARTNER

That's your last one. Lock it all down until I'm ready to go. No one else leaves.

The Consultant blinks.

THE PARTNER (CONT'D)
Don't get chippy with me. She's a
fucking liability. Leave her.

EXT. STREET - SAME

Ellsie lays in a pool of blood. Pedestrians step around her.

INT. OFFICE - BASEMENT HALLWAY - SAME

The Partner heads back upstairs. The Consultant goes for a SECURITY PANEL by the exit. A KEYPAD. Punches in a CODE.

ON EVERY EXIT AROUND THE OFFICE

THE DOORS LOCK WITH A CLACK.

FRONT DOOR

Downstairs, Grady tries the main door. It's locked!

MAIN FLOOR

Upstairs, Everyone pours in from the deck.

Just as Grady comes back up the stairwell, out of breath.

GRADY
Everything's locked! We should try
to get down from the deck.

JAMIE 1 (O.S.)
And end up like her?

Jamie's in the conference room, looking out the window at
Ellsie's body on the pavement.

GRADY
There's a ladder!

SHAE
It's a maintenance ladder. It only
goes up. But I have a better idea.

Shae PULLS a fire alarm. Nothing happens.

SHAE (CONT'D)
Well that's not safe.

GRADY
Just call the police!

ZEKI

bangs down every Cisco phone in the row.

ZEKI
The phones aren't working!

SHAE

tries her own computer.

SHAE
The internet's been cut off.

GRADY
What about the cell phones?

JAMIE 1
Dara had them.

Shae halts. Wait.

SHAE
Where's Dara?

WHITE ROOM

The Consultant returns to the CHEERY MUSIC.
And the HUMMING MACHINE.

STAIRWELL

Shae clomps her walking boot down the stairs.

MAIN FLOOR

The Partner tries to sneak behind the group, but--

ZEKI
Get him!

They all charge after and gang tackle him.

WHITE ROOM

CHEERY MUSIC plays as the Consultant looks at the machine.
Then he hears something.

THE DOOR BURSTS OPEN

Shae charges in.

He lifts a SCALPEL right to her face but she ducks. He still
SLICES her arm. Deep.

He swings again, but Shae BATS his hand with the NALGENE.
UPWARD momentum brings the sharp blade under his chin and he--

STABS HIMSELF IN THE NECK.

BLOOD pours out of him. He drops to the floor.

And his contract is complete.

Shae slides down the wall. Not feeling the arm.

And sees, on the floor beside him:

Dara's cardigan.

CONFERENCE ROOM

The Partner's taped to a chair at the head of the conference table. Around him, the wreckage of the party: half a cake, paper plates, chips in the carpet, the Keurig on table.

THE PARTNER

Boy. This is how you get rats.

JAMIE 1

Where's Jamie?

MODEL JAMIES (REMOTE)(O.S.)

We're right here.

On the TV behind them: MODEL JAMIES. And all the Remote Workers. Still up there. Just waiting.

MODEL JAMIES (REMOTE)

We've been merged for maximum efficiency.

THE PARTNER

Cool, right? Kid's a genius.

Everyone turns to Zeki. WHAT THE FUCK.

ZEKI

Just tell us how we get out.

He brings the taser to the Partner's head.

THE PARTNER

Relax. My Consultant has the codes.
He'll get those doors open.
(raising brows)
When I tell him.

WHITE ROOM

Shae steps over the Consultant's body.

SHAE

Dara.

Gets to the machine. Searches for buttons. Switches. Something! Finally finds a latch.

Opens the machine on:

DARA.

Unconscious.

Her torso peeled back, exposing her insides. Her organs are missing. Tubes connected to her keep her alive. For now.

It's a robotic surgery machine.

Shae reaches into the machine. Shakes Dara's shoulders.

SHAE
Wake up. Dara--

Dara's eyes flutter open.

DARA
Shae? Is something wrong?

She realizes Dara is being pumped with hospice-grade painkillers and can't see her carved up torso.

SHAE
No. Nothing's wrong. There's nothing to worry about.

DARA
But I don't think I can move.

SHAE
At least you can't bite your nails.

Dara lets out a squeak. Maybe laughter.

Shae cradles her head.

SHAE
And you don't need to go anywhere.

DARA
Shae...I think...
(breathing heavy)
...I think it's time...
(eyelids drooping)
...to go back to Michigan.

And she's gone.

Shae releases Dara. Stares.

But doesn't cry.

Then she notices something in the corner.

It's a FISH TANK. Filled with preservative liquid and ORGANS.

Beside it: the ORG CHART. Names crossed out in red. Notes on blood type and drug/alcohol history. Dollar amounts.

And there it is:

Ram's name. Crossed out in red. The ink dull. Weeks old.

SHAE
(whispering)
I'm sorry.

Beside him, fresh red: the Analyst. Jamie 2. Dara.

EXT. STREET - NIGHT

Ellsie's body twitches.

INT. OFFICE - WHITE ROOM - NIGHT

Shae turns back to the machine. Finds the RELEASE button.

She presses it.

Tubes withdraw.

Then the machine--

OPENS BELOW.

Dara's body DROPS into a lower chamber of LIQUID and--

DISSOLVES.

SHAE
No.

Door SHUTS.

Machine HUMS...

GREEN LIQUID drains through a pipe into a barrel.

On the side:

the MOUSE DOCTOR logo.

Shae drops her Nalgene bottle.

Stumbles out, nearly tripping on the Consultant's NOTEBOOK.

It's open to a page labeled QUARTERLY STRATEGY:

- Q1: ~~Acquisition~~
- Q2: ~~Restructuring~~
- Q3: ~~Transformation~~

Q4: LIQUIDATION**MAIN FLOOR**

Shae barges in from the stairwell.

Dripping blood. Hobbling.

CONFERENCE ROOM

Zeki, Grady, and Jamie 1 see Shae drag herself in. Looking like death.

The Partner's still tied up at the head of the table.

JAMIE 1

Are you okay? What the fuck is
going on down there?

SHAE

They're replacing us for parts.

Shae nearly collapses. She's losing a lot of blood.

GRADY

Are you okay?

SHAE

This isn't about me.

Shae looks up at Model Ram.

SHAE

It's about us.

(beat)

And I'm sorry.

She looks at them.

The faces on the screen.

Then at the Keurig. Kevin.

SHAE (CONT'D)

I got you into this mess. And I
need to get you out. But if we're
ever going to be safe, we need to
destroy them.

GRADY

Who?

Shae looks up with venom at the Models.

SHAE

Them.

CUT TO:

SERVER ROOM

The MODELS are very concerned.

MODEL SHAE (REMOTE)

What are you doing, Shae?

Shae doesn't answer. She's behind Zeki, who's typing on his computer. Rapidly clicking.

SHAE

Just delete them.

But it says ADMIN REQUIRED.

ZEKI

I can't.

He sits back. Thinks.

He jumps up and starts searching around the servers.

CONFERENCE ROOM

It's a stalemate in there. Partner still tied up.

Grady steps to the window. Looks down at the sidewalk.

The lady-shaped blood stain.

But no lady.

What.

It's just a bloody smear...

...trailing to the building's front door.

GRADY

We might have a problem.

Everyone looks over.

GRADY (CONT'D)

She's not there.

EXT. STREET - SAME

Ellsie punches her master CODE into the keypad.

DOOR OPENS.

INT. OFFICE - SERVER ROOM - SAME

Zeki finds the right cord. YANKS IT.

The FANS stop on all the servers.

On the monitors: the Models flicker with concern.

SHAE

What did you do?

MODEL SHAE (REMOTE)

He's smoking us out.

On his monitor: THERMAL WARNING.

The Models start to stutter.

SHAE

How long will this take?

Heats rising. He wipes sweat off his brow.

ZEKI

I don't know. But we still need a way out. Go look.

Shae hustles her bum foot out the door.

CONFERENCE ROOM

Shae arrives in the conference room.

SHAE

Zeki's taking care of the models.
How do we get out?

THE PARTNER

You killed our way out.

DING!

MAIN FLOOR

Ellsie steps off the elevator.

Bloody. Broken. But moving.

She watches people scatter out of the conference room. But doesn't see where they go.

GRADY

slips behind the coffee bar.

JAMIE 1

hides under a desk.

SHAE

Drops behind the bamboo.

CONFERENCE ROOM

When Ellsie arrives The Partner's smiling.

THE PARTNER

There she is. My best asset.

ELLSIE

You left me to die.

THE PARTNER

I mean, come on. You would have done the same thing.

ELLSIE

You're right.

With the knife, she scoops some icing off the cake...

...and rubs it on the Partner's face and neck.

THE PARTNER

Hey. Wait. Let's talk. I can give you whatever you want.

ELLSIE

This is what I want.

Ellsie FLIPS OFF THE LIGHTS.

Then walks out, with the cake knife and tape gun.

In the darkness, the Partner YELLS after her.

But she's gone.

And now he can hear the SQUEAKING...

...coming from inside the walls.

MAIN FLOOR

Ellsie brings the cake knife onto the main floor.

The Partner SCREAMING from behind her.

Rats running from all over the office to join the party.

SERVER ROOM

The servers are steaming.

Zeki's sweating.

The monitor is flashing THERMAL WARNING: CRITICAL.

MODEL GUS (REMOTE)

Save us!

Zeki looks up at the monitors, genuinely.

ZEKI

I wish I could. I didn't want it to
be like this.

ELLSIE (O.S.)

Neither did I.

Zeki turns and--

ELLSIE KABOBS HIM with the cake knife.

Right through the stomach.

ELLSIE (CONT'D)

I value your efforts, Zeki.

She slides out the cake knife.

He drops to his knees.

She draws the knife back out.

And his visa expires early upon termination.

MODEL SHAE (REMOTE)

The--
(flickering)
The fans!

Ellsie finds the cord.

Plugs it back in.

FANS SPIN UP on every rack.

The black screens BLINK back on.

One at a time. Gus. Ram. The Jamies.

The Models' faces sharpen. Stabilize.

MODEL SHAE (REMOTE) (CONT'D)
They tried to kill us.

ELLSIE
Find them.

Ellsie looks up at Model Shae's face.

ELLSIE (CONT'D)
All of them.

MAIN FLOOR

Ellsie emerges back onto the main floor with the knife.

AND THE HUNT BEGINS.

She starts down the first aisle.

THUMP.

Drag.

THUMP.

Drag.

Across the office, webcam lights flick GREEN.

One laptop at a time. Searching.

MODEL RAM (REMOTE)
Grady's behind the coffee bar.

BEHIND THE COFFEE BAR

Grady's eyes go wide.

As Ellsie closes in, he scrambles away.

MODEL GUS (REMOTE)
He's moving.

The models call her turns like air traffic control.

Grady runs to a window.

POUNDS the glass.

Below, pedestrians pass. Nobody looks up.

Before he can pound again--

Ellsie taps him in the back with the cake knife. But doesn't stab him.

He slowly turns around with his hands up.

In one motion, she uses the tape gun to wrap up his hands.

GRADY
My dad--

TAPE over his mouth.

She pushes him to the ground. Tapes his legs.

ELLSIE
Don't bleed too much while I'm
gone. I can still get something out
of you.

She moves on. Back to the desks. One at a time.

THUMP. Drag.

BEHIND THE BAMBOO

Shae presses against the planter. Her sleeve black with blood. Dripping off her fingertips into the soil.

THUMP. Drag.

Ellsie stops. Looks down.

A dark drop on the pale carpet. Another.

Shae looks down too. Her own trail. From the server room door, straight to the bamboo.

Ellsie follows it.

Shae reaches out with her black sleeve. Smears the last drops sideways. Across the aisle. Toward the meeting rooms.

Drags her arm back. Presses into the planter.

Ellsie reaches the smear. Stops. Turns toward the meeting rooms. Past the standing desks.

MAIN FLOOR

Every monitor on the floor flickers at once. The same face on all of them. Or rather, a combination of two.

MODEL JAMIES (REMOTE)
Jamie. I'm just trying to help you.

UNDER THE DESK

Jamie 1 holds her breath.

MODEL JAMIES (REMOTE) (CONT'D)
You're working too hard.

Jamie 1 turns and sees--

ELLSIE'S FACE inches away from hers.

BEHIND THE BAMBOO

Shae hears a faint scream. Then tape.

Nearby, a laptop's webcam light flashes green.

MODEL DARA (REMOTE) (O.S.)
Shae? I need you.

Shae's eyes shut.

MODEL DARA (REMOTE) (CONT'D)
Shae please.

Shae rises and SHUTS Model Dara's face into the keyboard.

Leaves a red handprint on the lid.

Drops back behind the bamboo.

But another screen lights up. It's her!

MODEL SHAE (REMOTE)
You can't escape us. But you don't
need to be afraid. I can help.

Shae's hands shake. Gashed knuckles.

MODEL SHAE (REMOTE) (CONT'D)
Look at yourself. You're just a
human.

Shae looks at the blood pooling beneath her.

SHAE
You're right.

She looks straight into the webcam.

Lifts herself up.

Steps out from the bamboo. Into the middle of the floor.

ELLSIE

stops taping Jamie. Hands not yet fully clasped. Looks back.

Shae holds her eyes.

Then backs away. Toward the server room. Not fast.

Past every green webcam light on the way.

MODEL SHAE (REMOTE)
She's going back for the fans!
She's going to melt us!

Ellsie looks at server room window. Her products.

Ellsie drops the tape.

THUMP.

Drag.

THUMP.

Drag.

Faster than she should be.

SERVER ROOM

Shae heads right into the hot room.

FANS roaring. The racks still radiating.

Zeki on the floor beside his chair.

Ellsie enters after her. Cake knife low. Closing.

Shae slips down the row.

Trailing blood on the floor...

...searching for the cord.

Ellsie stops.

ELLSIE

I can save you, Shae. There's a
clinic two blocks away. And a
private jet at Teeterboro. We can
patch it all up and leave tonight.
We can go to the beach.

Ellsie finds Shae in the row. Still some distance.

ELLSIE

And her, I'll kill her for you.
Just let the others go. And I'll
make sure you're never replaced.

On the wall behind Ellsie, MODEL SHAE.

SHAE

You were never going to let me out
of this office alive.

Ellsie looks at her for a beat.

ELLSIE

441758.

(beat)

That's the code. Let's leave. Right
now. Alive.

Eye contact.

ELLSIE

Please. You're...you're the best
investment I ever made.

Model Shae waits impatiently.

SHAE
I'd rather be worthless.

Shae spots the cord.

MODEL SHAE (REMOTE)
No!

RIPS it from the socket.

FANS grind to a halt.

Shae screams out the door:

SHAE
441758. Get out!

UNDER THE DESK

Jamie 1 hears. Bites the tape off her wrists.

SERVER ROOM

The screens start going black again. Faster this time.

ELLSIE
Then you are a liability.

Ellsie CHARGES as fast as she can but--

Timing.

Shae sidesteps the blade--

Momentum.

--hooks her knife arm and turns with the charge--

Leverage.

--and SLINGS her into the server racks.

SPARKS.

Ellsie's body SEIZES against the scorching metal.

A rack SHORTS behind her.

More sparks.

The cake knife skids across the floor.

Shae backs away from her. Bumps Zeki's desk.

Her HUMAN CAPITAL deck.

She looks at the faces. Then at the racks.

She spreads the pages across the scorching servers.

Smoke wisps...

A damaged rack SPITS SPARKS through the pages--

...and the PAGES CATCH FIRE!

Faces of the assets burning, spraying embers on the carpet.

On the wall, MODEL SHAE's face distorts in the heat.

Shae watches her own face melt.

MODEL SHAE (REMOTE)
Do you have a-- do you have a--
human resources--

Then she hobbles out the near door.

Behind her, the racks burn.

Through the flames, Ellsie rises.

Her seized leg dragging behind the mangled one.

MAIN FLOOR

Jamie 1 tears the tape off Grady's ankles. Then his mouth.
Hauls him up by his taped hands.

Shae calls after them:

SHAE
441758.

She looks behind her. Ellsie's still alive.

SHAE (CONT'D)
Go! I'm coming.

They run for the stairwell.

Shae follows. But she's too slow.

FIRE rolls out the server room door.

Across the carpet.

It cuts off the stairwell door before Shae reaches it.

ELLSIE

emerges from the server room.

Still alive.

Barely.

She shifts the cake knife into her working hand.

FRONT DOOR

Grady and Jamie punch the code into the keypad.

The door opens.

SHAE

dodges the spreading fire.

Ellsie behind her.

There's only one room not engulfed in flames.

ELLSIE'S OFFICE

Shae slips inside.

ELLSIE (O.S.)
This isn't in the best interest of
your shareholder.

Next to Francis, Shae finds the GARDENING SCISSORS.

SHAE
I--

Ellsie stumbles in with the CAKE KNIFE.

SHAE
--don't--

Shae lifts the scissors.

SHAE
-care!

Shae CUTS the plant, right at the root.

Ellsie reaches out, frantic.

Shae pushes the entire planter toward Ellsie.

Ellsie trips over it.

Falls on top of Francis.

MAIN FLOOR

Shae runs out of Ellsie's office.

Her legs barely working.

Shae watches her precious home BURN one row at a time.

Then turns back to:

ELLSIE'S OFFICE

Ellsie holds the plant in her arms as they're--

CONSUMED BY FLAMES.

MAIN FLOOR

Shae turns away, looks for an exit.

The elevator and the stairwell door are behind a wall of fire.

She has nowhere to go. Then she notices:

MICE, RATS, and other industrious creatures scurrying out from the kitchen and walls, racing toward the outdoor deck.

She follows them out...

...leaving a dark trail of blood on the carpet behind her.

EXT. OFFICE - OUTDOOR DECK - CONTINUOUS

LIGHTS from the party continue FLASHING.

Shae emerges. Crosses the sand to the rail, leaking blood.

She looks over the side of the building.

The sidewalk. The dark stain where Ellsie fell.

Then she looks up.

The MAINTENANCE LADDER.

It starts on the deck and goes all the way up the building,
but not down.

She grabs onto it...

...moves up the ladder. One rung. Two. The boot won't hold
the third.

Then she stops climbing. Looks up:

The ladder goes up forever.

She'll never make it.

Her hands are slick with blood.

Oh.

She releases her grip.

Falls back...

...into the sand with a--

THUMP.

LIGHTS FLASH.

She looks straight up at the:

LIGHT.

Like a SUN on her skin. Warming her.

She smiles a bloody smile.

Rubs the SAND with her broken fingers.

The sand under her goes dark. Spreading.

Her fingers slow down.

Then stop.

Her eyes close. And she can hear it:

WAVES CRASHING

She made it. She's there.

THE END.
